### Community Presentations - Recording

You may enroll in as many programs as you wish in this group.

☐ **Morning Coffee — Addicted: Sacramento' Coffee Scene**

2/01/23 10:00 AM - 2/01/23 11:30 AM (Wednesday) | Varies

Kelsey Maher, Maryellen Burns, and Kathy Hart

Coffee wasn't always the magic substance that fueled people through their workdays. It took on that status between World War I and World War II when the combination of affordable coffee and cheap labor powered the industrial revolution in Sacramento and made the magic elixir indispensable to workers. It flourished in the 70's, when a new age of coffee purveyors started roasting their own beans, put up some disturbed artwork, and books for friends to browse while they drank and philosophized. We'll talk a little history, learn how to brew the perfect cup, and learn to sketch using coffee as the medium.

☐ **Morning Coffee — Eat. Drink. Be Literary**

3/01/23 10:00 AM - 3/01/23 11:30 AM (Wednesday) | Varies

Kelsey Maher, Maryellen Burns, and Kathy Hart

Kick off Women's History Month while enjoying a conversation with Sacramento tastemakers, taste producers, and tasters to talk about the morsels and liquids we put in our mouths and the women who make it all so interesting. In celebration of Women's History Month. A morning cocktail and coffee drink will be demonstrated, too.

☒ **Say "NO" to Phone Scams**

3/08/23 10:00 AM - 3/08/23 11:00 AM (Wednesday)
