

## Member Scholarship Application

The Renaissance Society (RS) has a scholarship program to help those that need financial assistance with their membership dues. We encourage anyone who has financial hardship to apply for this scholarship.

The scholarship program waives the membership dues as well as UTAPS parking permit costs. A limited number of scholarships for the current academic year are available. Qualified members must apply each year that they have an identified need. Upon approval, your account will be credited. There will be no retroactive awards for previous semesters. The Board is committed to removing barriers that keep new and existing members from joining due to their financial hardship.

### How to Apply

Please complete this Membership Scholarship Application and include an explanation for why you require assistance.
