Virtual Parking Permits

Sac State now uses License Plate Recognition (LPR) and virtual parking permits on campus.

Plastic and paper permits are not used. Your license plate now functions as your parking permit.

You are required to register one or two vehicles to your virtual permit.

Only one of your registered vehicles may park on campus each day.

Your vehicles are only authorized to park within the virtual permit's valid date range.

View our [Virtual Permit FAQ](#) for more information.
