# Welcome to Spring 2026

We hope you had wonderful holidays filled with family, friends, and great food and fun! 2026 marks the 40<sup>th</sup> Anniversary of the Renaissance Society, and we have much to look forward to.

We hope to reach 2,000 members by the end of the Spring semester, when we wrap up our 2025-2026 year. Please help us reach this goal by sharing your enjoyment with friends, family members, and neighbors. Remember, we have no age limits, no geographic limits, and we offer topics so broad that everyone can find something of interest to them. Membership makes a great gift at only \$70 for the Spring semester. We also have a Tuition Assistance Program (TAP). Learn more [here](#), including eligibility requirements and to get an application.

We continue to add community partners and are looking forward to offering a broader variety of programs. If you frequent specific types of entertainment venues, let us know, and we will reach out to them.

We appreciate the calls and emails we've gotten from many of you. You are telling us what we are doing right, and most importantly, where we can improve. Please continue! Again, thank you for all you do and for your generosity. Please introduce yourself to me - in person or on Zoom. During the rain and fog, remember - Spring will be blooming soon!!

We have an exciting semester ahead, with lots of great presentations, seminars, Forum speakers, and plenty of fun. Thank you for all you do! We look forward to seeing you in class or on Zoom!

# At-a-Glance Program Schedule

This At-a-Glance Program Schedule (AAG) organizes programs by day of week, time of day, and type of program. Use the Abbreviation Key below to identify each program's delivery format and recording status.

## Abbreviation Key

D = Diversity program; Z = Zoom-only; IP=In-person only; H = Hybrid (IP + Z) program; IP+R = In-person (live) & recorded; R = Program recorded; NR = Program not recorded; WI = Walk-in program – enrollment helps us notify you of changes, seats available first-come/first-served

The on-campus classrooms were not available at the time of printing. See the catalog for the classroom locations.

## Program Definitions

**Seminars** – led by one or more members, range from 3-14 weeks, and focus on one subject.

**Shared Interest Groups (SIGs)** – facilitated by members, offer activities centered on what people enjoy doing together. These groups usually meet off campus or on Zoom.

**One-Time Presentations** – feature a variety of single presentations by member and guest speakers.

- *Monday Big History Series, Tuesday Speaker Series, Friday Morning Series; and Friday Afternoon Series.*

**Forums** – Friday's premier speaker program held at 3 pm and features prominent community leaders who address newsworthy issues.

## Program Identifiers and Delivery Formats

**Changes this Semester:** You can't be in two places at once. Programs will be grouped based on date and time, and members can only enroll in one of the programs in each grouping. Starting this semester, for all programs that are recorded, there will be a Recording-Only option in the registration system. There is no limit to the number of programs you can enroll in using the Recording-Only option, and there will be no maximum number of participants or waitlists for that option. Our goal is to get an accurate picture of live attendance so we can accommodate as many members as possible.

**Diversity (D)** programs address in detail or in part, issues encompassing various aspects of culture, race, ethnicity, religion, gender, age, ability, sexual orientation, or social economics, to foster mutual understanding. This understanding is essential for creating inclusive environments where all individuals feel valued and respected.

**In-person and Recorded (IP+R)** programs are offered live in-person but not live on Zoom. They are recorded for future viewing.

**Walk-in (WI)** programs allow you to enroll in advance, which allows us to notify you of last-minute program changes. However, available seats are first come/first served.
