WHAT IS THE WPJ PORTFOLIO?

The WPJ Portfolio is how students can receive a WPJ placement score. The WPJ placement score is prerequisite for enrollment in a Writing Intensive course.

THE WPJ PORTFOLIO PROCEDURE

Students who have completed the prerequisite will be enrolled in a WPJ Portfolio Canvas course. (This course is not graded or unit bearing.) In this Canvas course you will find detailed instructions and guidance to complete the following steps:

1. Select 2 assignments completed for courses you have passed for bachelorette credit.
2. Complete a self-evaluation survey where the final step is submitting the assignments to receive a WPJ placement score.

WPJ Portfolios are accepted only in the WPJ Portfolio Canvas course. Email submissions are not accepted.

Your portfolio will be reviewed by a team of readers who will make a recommendation about ways you can continue to improve your writing abilities as you prepare for and enroll in a Writing Intensive course. Completed portfolios submitted by the deadline will receive a WPJ placement score, which is a prerequisite to enroll in a Writing Intensive course.
