Ending the Epidemic of Racial Violence: Healing, Wholeness, and Action

Dear Hornet Family,

We are encouraging all our community to join us in a Community Forum, "**Ending the Epidemic of Racial Violence: Healing, Wholeness, and Action**" on Tuesday, February 7, 2023, from 1:30-3:30pm in the University Union Ballroom.

Purpose:

To address the historic and predictable violence on **unarmed** Black and Brown people at the hands of sworn police officers, the Division of Inclusive Excellence in collaboration with the MLK Center, MCC, BFSA, Black Alumni Association, Legacy Black Women's Professional Community of Practice, Center for Race, Immigration and Social Justice, Division of Criminal Justice and Center for African Peace & Conflict Resolution, and Sac State Police Dept are hosts of this Community Forum.

Goals:

1. To name the systemic problem
2. To hear from the community and heal as a community
3. To generate viable solutions

We also invite you to join us for the Green and Gold Speaker Series, where California Secretary of State Shirley Weber will be the featured speaker on reparatory justice. It will also be on Tuesday, February 7, 2023, in the Union Ballroom from Noon – 1 p.m. and there will be a history of reparations exhibit open for viewing in the Union Lobby Suite starting at 11 a.m.

We hope that you would join us.

In partnership,

**Dr. Mia Settles-Tidwell,
Vice President for Inclusive Excellence and University Diversity Officer**
