

## Dear Hornet,

Thank you for volunteering to write notecards for our incoming students! We were overwhelmed by the response we received, which reinforces what a great Hornet Family we all are! Enclosed are the notecards for you to write. We slightly decreased the number you need to write so that all volunteers could participate. On the back of this note is some sample text you could use if you are struggling for a starting point.

After writing your notecard, please seal it in the pre-addressed and stamped envelope, then drop it in the mailbox.

Due to production issues outside of our control, these are getting to you later than planned. Move-in day on campus is Aug. 24, so we thank you in advance for mailing your completed notes quickly.

If you have any questions, please reach out to our office at [alumni@csus.edu](mailto:alumni@csus.edu).

**Thank you so much and Stingers Up!**

**Your Sacramento State Alumni Association**

*P.S. Send us a picture with your notecards and we might feature it on social media.*
