

Become an Access Opportunity Champion

Our proud alumni and community supporters show their Hornet spirit at campus events, but some are unable to access our stadium or join us for large events.

By becoming an **Access Opportunity Champion**, you become part of a team enhancing access to events for those who cannot navigate our facilities or endure severe outdoor elements, have limited mobility, or cannot attend large gatherings. Your support ensures that fellow alumni, now and for decades to come, can participate and show their Hornet pride at the Harper Alumni Center for athletic events, commencement, and other university-wide celebrations.

When you join the champions team, opportunities abound. Contact us today to learn more or visit csus.edu/alum/champions.

GIVING OPPORTUNITIES

We have set an ambitious goal of raising \$100,000 by June 30, 2023. Giving opportunities exist at all levels from \$500 to \$25,000 and above.

Your support provides:

- **Technology upgrades for viewing live events**
- **Expansion of entry points for greater access to the Harper Alumni Center**

Gifts of \$2,500 or more can be pledged over five years. Donors contributing \$5,000 or more are recognized in the Harper Alumni Center.

Donations to become an Access Opportunity Champion can be made through June 30, 2023 at <https://csus.edu/alum/champions>.
