

Robert S. Nelsen Civic & Community Engagement Grant Application Questions

What is the project title? (This will be used for publication purposes. Not a rated question)

Provide an abstract of the project (150 words maximum. This will be used for publication purposes. Not a rated question.)

1. Describe how the proposed activities advance your selected civic education programs, community organizing and advocacy, voter engagement mobilization and/or civic innovation and technology.
2. Describe how the proposed activities will establish or maintain a mutually beneficial partnership with a new or existing community partner.
3. Describe how the proposed activities advance student success and explain how students are going to be involved in the project.
4. Outline the primary responsibilities of the project participants, including faculty, staff, and the community partner.
5. Explain how the proposed activities serve to advance equity, antiracism, and social justice.
6. Project Timeline: Provide a list of scheduled tasks/activities for July 1, 2025 – June, 30, 2026.
7. Project Budget: Provide details of how the funding will be used. A budget template is provided for listing the projected expenses. Please complete and attach, in addition to this response.
8. Project Evaluation: Define the outcomes for the project. What are the indicators that will be used to measure the success of the project?
9. Sustainability Plan: Describe any plans for the project beyond the grant cycle.

****There is 750 words maximum for questions 1-9.**
