

Robert S. Nelsen Civic Engagement Grant Application Questions

What is the project title? (This will be used for publication purposes. Not a rated question)

Provide a brief description of the project? (This will be used for publication purposes. Not a rated question)

1. Describe the proposed activities and how they meet the “Required Criteria” noted on the Grant Description and Program Guidelines.
2. Describe how the project effectively demonstrates how the proposed activities will establish or maintain a mutually beneficial partnership with the community organization.
3. Discuss how the project advances civic education, advocacy, and collaboration that promotes civic participation.
4. Describe how the proposed activities correlate to student success (e.g., connection to a course, learning outcomes, or encourage student engagement). In addition, discuss how students are going to be involved in the project.
5. Describe the key roles of the project participants including faculty, staff, other University departments/programs, and the community partner.
6. Provide details of how the proposed activities can serve to advance equity, antiracism, and social justice.
7. **Project Timeline:** Provide a list of scheduled tasks/activities that will be conducted from the planning stages through the final reporting.
8. **Project Budget:** Provide details of how the funding will be used. A Budget Template is provided for listing the projected expenses. Please complete and attach, in addition to this response.
9. **Project Evaluation:** Define the outcomes for the project. What are the indicators that will be used to measure the efficacy of the project?
10. Describe the sustainability plan of the project beyond the grant cycle.
