

## STUDENT SUSTAINABILITY FUND APPLICATION

Do you have an idea for a student sustainability project? Each year Sac State Sustainability funds small scale student projects that make the campus more sustainable. Project funding typically ranges from \$100 - \$2,000 and focuses on renewable energy, energy reduction, water reduction, waste reduction, or greenhouse gas reduction. If you have an idea for a project you would like to do, complete the Student Sustainability Fund form below and submit to [sustainability@csus.edu](mailto:sustainability@csus.edu). We will contact you as soon as we have reviewed your proposal.
