

## Undergraduate Research Assistant Application for Dr. Harrison's Lab

Name:	Email:
Home Phone Number:	Expected date of graduation:
Cell Phone Number:	GPA:
Major/minor:	# of Course Units Completed:

**Please answer the following questions.**

1. What are your professional goals?

2. Why do you want to work in this lab or on this project?

3. Have you taken PSY 008, PSY 101, or PSY 102? If so, describe your research-related experience in each class. What was your grade in each class?

4. Describe your experiences using MS Word, Excel, and SPSS.

5. Have you taken courses with me? If so, when? What were your grades in my class(es)?

6. Is there anything else you want me to know?

7. If you are willing, I would appreciate an unofficial copy of your transcript (from CasperWeb).
