

## ***Examples of the different forms of sexual harassment for 7-12***

### *Sexual Harassment: Hostile Environment:*

You are informed that a rumor is going around the school about a girl that she is a lesbian. The student is on sports teams, but does not have any regular group of friends.

### *Sexual Harassment: Quid Pro Quo:*

A female student is told by a male student that she needs to let her touch her breasts, he would spread rumors about her that he did and she wanted him to do it.

### **Subtypes of Sexual Harassment:**

#### *Gender harassment:*

A male student is called a fag by guys in the locker room.

A girl is teased by her female classmates that she is too frigid and no man will ever want her.

#### *Seductive behavior:*

A male student continually asks a female student out, constantly telling her she has a nice butt. He continues to ask her, even though she has told him she does not wish to go out with him.

#### *Sexual bribery:*

A male student tells his girlfriend that if she doesn't have sex with him he will tell everyone she is a prude.

#### *Sexual coercion:*

A girl knows that the only way to get into the popular group is to attend the Friday night party. She knows that girls are only allowed to attend the party if they are willing to perform sexual acts with the boys there.

#### *Sexual imposition/sexual assault:*

A male student backs a female student into a corner and gropes her. Telling her not to bother saying anything because everyone knows she's a slut.

A boy holds down a girl and touches her. When she says "no" he covers her mouth.
