Declared majors should already be assigned to an advisor. This can be found on the Student Center Tab in your MySacState.

Students wishing to change their advisors can do so using the Request to Change Advisor form found on the Department website

New students (incoming freshman and transfer students) will be assigned to advisors during their first semester of attendance, usually around the 5th week.

Students who would like to become Political Science majors or minors **should consult an advisor from this list prior to submitting the Declaration/Change of Major/Minor form for the Department Chair's signature.**
