In order to stay in compliance with the CBA, please be mindful of the due dates & hiring periods for Academic Student Employees

Article 2.1 - The University shall create and maintain a central website on each campus and shall post information on it regarding open hire bargaining unit employee positions when these positions become available. Open hire positions are those positions available for currently enrolled or admitted students that are not used to fulfill a commitment of support made to a student (a) at the time of admission or (b) under an existing advising relationship with a faculty member(s). The University may update or edit this information as appropriate.

Article 2.5 - Departments or other hiring units may also post information regarding open hire positions. Departments or other hiring units may, when necessary, make emergency appointments. For the purpose of this Article an emergency situation is one in which the beginning of the appointment period must begin less than a week after the position is posted.

Article 2.10 - No employee shall be deemed appointed in the absence of an official written notification from the President and the bargaining unit employee's acceptance within the timelines established by the notification. The bargaining unit employee shall have **fourteen (14)** days from date of written notification to accept the appointment.

Article 2.14 - As a condition of employment, all employees must remain academically eligible. In the event the employee becomes academically ineligible, the employee may be removed without pay from or returned to said appointment as set forth below.

- a. Within the first five (5) weeks of an academic term, the University may, at its sole discretion, remove an employee who has become academically ineligible.
- b. If a bargaining unit employee regains academic eligibility, the University shall determine in its sole discretion whether or not to reinstate the bargaining unit employee. Reinstatement, if any, shall be at the level of employment held prior to removal
