Audiology Advisory Committee

Audiology Advisory Committee Mission Statement:
The Audiology Advisory Committee is comprised of professionals in audiology (including recent graduates, practicing clinical audiologists, and audiologists in administrative positions) in the greater Sacramento region and beyond. The committee meets to discuss biannually current issues in various work and professional environments and to inform the department faculty about current trends and developments in various clinical settings. The mission of the committee is to collaboratively discuss current trends in the fields and to discuss the department’s academic and clinical programs so that the department can integrate input from the committee into plans for the ongoing improvement and updating of the proposed Doctor of Audiology program.
