Course: CSAD 250  
Title: Speech/Language Internships Seminar  
Room: Folsom 1051  
Time: Tuesdays, 6:30pm-8:20pm  
Office Hours: MWF: 10:00am-10:50am (e-mail me to schedule appt.)  
Phone: 278-6601  
Email: james.chuchas@csus.edu

CSAD 250- 2 UNITS- Catalog Course Description:
Assessment, scheduling and conducting language speech and hearing programs in schools. Related issues including scope of practice, managed care, interagency cooperation and transdisciplinary approaches.

Corequisite(s): CSAD 295I, or CSAD 295M, or CSAD 295P, or CSAD 295S.

Course Objectives/Learning Outcomes:
The course objectives have been designed to be in direct support of the American Speech-Language Hearing Association (ASHA) Knowledge and Skills Acquisition listed at the end of the syllabus; the following California Commission on Teacher Credentialing (CTC) Education Teacher Credentials Program Design Standards: Standards 1, 2, 3, 4, 5, 6, 7, and 8; The following Speech-Language Pathology Services Credential Program Design Standards: SLP Standard 4, 5 6, 7, and 8; And the Special Class Authorization Standards 1, 2, 3, 4, and 5.  

The student:
1. will become aware of the history of education.
2. will identify and discuss legal issues involved in treatment of clients in the school setting.
3. will review and discuss the types of clients and associated treatment models in the school setting (articulation, fluency, voice & Resonance, receptive and expressive language, hearing impaired, etc.) (pull-out, push-in, consultative, collaborative, etc.)
4. will review and discuss the relationship between language and speech disorders and academics (oral and written communication).
5. will identify and discuss professional, legal, and ethical practices related to practice in the schools, including state and federal mandates, legal requirements for assessment, Individualized Family Service Program (IFSP), Individualized Education Program (IEP) development and monitoring, services, and instruction of students with disabilities, transition and transitional planning, etc.
6. will identify and discuss academic assessment procedures (literacy, written language arts, and quantitative concepts) appropriate for the school age client with and without severe disorders of language.
7. will review and discuss different service delivery models including Response to Intervention.
8. will review and discuss different communication modalities for public school settings (oral, manual, AAC).
9. will review and discuss service delivery to culturally and linguistically diverse clients.
10. will review and discuss California state standards and statewide testing and curriculum approaches in the areas of reading/language arts/writing/math.
11. will review curriculum-relevant assessment (standardized and non-standardized) and the writing of curriculum-relevant goals.
12. Will review and discuss providing access to the curriculum commonly taught in public schools by adapting and relating curriculum to students’ backgrounds, interests, and abilities.
13. will review and discuss methods for initial and ongoing speech and language assessment that provides data to drive selection and modification of instructional strategies, activities, and materials that appeal to and challenge the diverse abilities and interests of students.

14. will review and discuss common curriculum adoptions in the language arts, writing, and mathematics and their delivery to students with speech and language impairments.

15. will review service to health impaired clients in the schools, including service to medicated clients.

16. will identify and discuss methodology related to the use of speech assistants in school settings.

17. will identify and discuss different approaches for helping clients maintain their behavior.

18. will review and discuss pedagogical approaches for curricular instruction (literacy, written language arts, and quantitative concepts) in both general education and special day classroom settings.

19. will review and discuss processes used in research and the integration of research principles into evidence-based clinical practice.

20. will review and discuss cognitive and social aspects of communication and various communication modalities in school settings.

21. will review and discuss standards of ethical conduct, contemporary professional issues, and certification, licensure, and credentials.

22. will review and discuss strategies for effective interaction with students, families, and related professionals in school settings.

23. will identify and discuss methods to self-evaluate the effectiveness of his/her practice.

24. will review and discuss state and district data maintained in student’s files (California English Language Development Test-CELDT, California statewide standards testing, etc.) and the implications of such data on student’s speech and language and learning profile.

Required Texts:

Grading:

Class Attendance & Discussion Participation: 75 points.

You can earn up to 75 points for class attendance and active participation in classroom discussions. Prompt and professional attendance is required. Because this is a seminar class, discussion and contributions are the main responsibilities of enrolled students. If you are absent, you cannot participate. Your final participation grade, therefore, is dependent upon attendance. Absences must be reported prior to the start of class by e-mail or text on my cellphone. Everyone starts the semester with 75 points for Discussion/Participation. A student may have NO MORE THAN ONE reported absence per semester before possibly losing points. For your first ONE absence you will not lose points. Subsequently, if you are absent, you could possibly lose 10 pts for each class absence after the first ONE absence. Please bring required items for discussion on required days (such as goal sheets, screening examples, curriculum materials, etc.). Please complete research assignments ahead of time so that you are ready to discuss them during class.

Classroom Presentations: 75 points.

Each Intern Student will be required to present a Power Point on certain assigned topics as covered in chapters or parts of chapters from the texts: *Making a Difference for America’s Children and/or School Programs in Speech-Language Pathology*. Your presentation must be in power point format. It must cover all of the important points regarding the topic in the chapter, but should not be a laundry list of facts OR a chapter outline. You must teach your peers what they need to know about the important legal and procedural information in an interesting and useful way. You should also research specific topic outlined in the chapter to insure that statistics and/or information as indicated in the text are current and if necessary incorporate researched up to date information in your presentation. Power Points should be sent to instructor the day before the assigned date of presentation so it can be posted on SacCT. The complete power point series should provide each student a handbook for beginning practice as an SLP in the public school setting. Students should make arrangements to have laptop computer for presentation. Presentation should be around 15 minutes.
Written Observation of Master Clinician: 10 points
Written Observation of Master Clinician- due in class by the second week of class.

Assignments: 50 points
Completion of all assignments in the timeline is required. Please remember to turn in assignments Psychologist Interview (25pts) and Observation of language arts and math lessons (25pts) on the assigned days.

Completion of letters: 20 points
Completion of letters to Master Clinicians and Directors of Programs is mandatory. These letters should be proofread by the instructor and can then be printed on letterhead provided by the instructor.

Evaluation of Master Clinician and site: 20 points.
Evaluation of Master Clinicians is mandatory. Refer to the evaluation form in your packet.

The course final grade will be computed as total points earned out of the maximum total of 250 points. Letter grades will be assigned as follows:

<table>
<thead>
<tr>
<th>Points</th>
<th>Grade</th>
<th>Points</th>
<th>Grade</th>

Page 3- CSAD 250
TENTATIVE TIMELINE AND ASSIGNMENTS
(NOTE: Subject to change)

Tuesday, January 23
**Discussion:** Buy books? Do application for graduation!!! Review class syllabus and discuss chapters for reading and outline assignments. Determine presentation dates.
Review Fourth Semester Clinical Competencies sheet. Share details about your placement
**Reading Assignment Due:** None
**HOMEWORK!!!! We need your completed schedules/locations by next Tuesday night. NO EXCEPTIONS!!!!!!!**
Discuss the goal sheet provided to you in your internship packet and develop initial goals for your internship together with your Master Clinician.

Tuesday, January 30
**Written Master Clinician Observation Due (10pts)**
**Discussion:** Placement updates/experiences to share/questions. Bring in and share your district’s criteria for placement in the speech and language program. What exit criteria, if any, exist?
**Reading Assignment Due:** Read Blosser Chapter 3 (pgs 41-57) and Moore & Montgomery Chapter 2 (pgs. 40-46) & Appendix B. Assigned Power Point presentations.
**Research Assignment Due:** Obtain information about district’s placement and exit criteria for speech and language qualification criteria.

Tuesday, February 6
**Discussion:** Placement updates/experiences to share/questions. Assessment and placement IEP forms from your respective districts.
**Reading Assignment Due:** Read Moore & Montgomery, Chapter 3 Appendix B. Assigned Power Point presentations.
**Research Assignment Due:** Be prepared to discuss IEP forms that your district uses in the assessment and placement process, including procedures/forms for screening if utilized by district. Bring in screening tools used.

Tuesday, February 13
**Discussion:** Placement updates/experiences to share/questions. Grouping strategies. Articulation methods.
**Reading Assignment Due:** Read Moore & Montgomery, Chapter 4 (pgs. 145-166; Chapter 5 (pgs. 167-208). Assigned Power Point Presentations
**Research Assignment Due:** Ask you Master Clinician about techniques for articulation therapy they utilize and ask them how they choose which students are in which groups. Be prepared to discuss.

Tuesday, February 20
**Discussion:** Placement updates/experiences to share/questions. Grouping strategies. Articulation methods to date.
**Reading Assignment Due:** Read Blosser Chp 5 (pgs. 99-122); Blosser Chp. 4 (pgs. 69-76); (pgs. 86-92) and Blosser Appendix “B”; Moore & Montgomery Chp. 4 (pgs. 123-145). Assigned Power Point presentations.
**Discussion:** Behavior Management
**Research Assignment Due:** Bring in any behavior management system that you and/or your Master Clinician have in place. Focus both on the positive things that are done to reinforce behavior and on the consequences of inappropriate behavior. How does this system fit into the school-wide behavior management process if any? Be ready to share and discuss.
Tuesday, February 27

Discussion: Placement updates/experiences to share/questions. Service delivery models.

Reading Assignment Due: Read Moore & Montgomery, Chapter 6 (pgs. 209-228); Blosser, Chapter 8 (pgs. 213-261)

Assigned Power Point Presentations.

Research Assignment Due: Ask your Master Clinician about service delivery models they have used and which they find useful at your site. Ask them how goals are written in the district (goal banks, etc.) and how they make them curriculum-relevant. Bring in any supporting materials if any. Is RTI being used for SPT? How? Be prepared to discuss.

**WRITTEN Research Assignment #1 Due (25pts):** Meet with the school psychologist at your site and compare speech/language and psychologist reports on a student that is being tested or has previously been tested for a full team evaluation. Ask them to explain their Psych testing to you for this student. Ask School Psychologist and Master Clinician to share their thoughts about the relationship between the psychological assessment and speech and language testing in the IEP process. For student in question, what were the commonalities or differences in the psych and speech/language assessment findings? What were the placement outcomes? Any other insights that you might have discovered? Write up at least a one page document or more with your findings. Be prepared to discuss in class.

Tuesday, March 6

Discussion: Placement updates/experiences to share/questions.

Reading Assignments Due: Read Moore & Montgomery Chapter 6 (pgs. 229-262); Chapter 7 (Pgs. 263-290); and Appendix “A”. Assigned Power Point presentations.

Research Assignment Due: Ask your Master Clinician how suspected autistic spectrum disorders (ASD) referrals are handled and processed including assessment procedures. Discuss service delivery options/models for ASD students in your assigned District. Bring in any supporting documents for referral and assessment protocol for ASD students if available. Be prepared to discuss.

Research Assignment: How are Bilingual/Multicultural assessments addressed in your Internship School District. Be prepared to discuss.

Tuesday, March 13 - Dr. Hagy Medical Internship Information (Date subject to change)

Tuesday, March 20- Spring Break

Tuesday, March 27

Discussion: Placement updates/experiences to share/questions and Interview Information

Guest Speaker - Interview Strategies

Reading Assignment Due: Read Moore & Montgomery chapter 9 (pgs. 364-406); Blosser Chapter 10 (pgs. 313-330). Assigned Power Point presentations.

Classroom Written Research Assignment Due (25pts): Observe one general education math lessons at different grade levels and one general education language arts lesson. Write up each in a one page document. Is the lesson from a curriculum adoption? If so, which? What is the teaching objective? Describe the teacher’s methodology when teaching the lesson. Any modifications? Describe the performance of general education students and as well as those students who have IEPs.

Tuesday, April 3

Discussion: Placement updates/experiences to share/questions. Be ready to discuss difficult IEPs, Conflicts, Mediations/Due Process.

Reading Assignment Due: Read Moore & Montgomery Chapter 7 (pgs. 290-304); Chapter 8; Chapter 9 (pgs. 343-364). Assigned Power Point Class Presentations

Handouts: Special Education Do’s and Don’ts handouts. Obtain information from Master Clinician regarding difficult IEPs, IEP conflicts, and Due Process (Mediations and/or Hearings) if any; What was done to help in these conflicts? What did or didn’t work in these situations Is there any informal resolution/problem solving process available to parents prior to filing for Due Process Mediation/Hearing in your assigned District? If so, describe process. Be prepared to discuss above items in class.
Tuesday, April 10

Discussion: Placement updates/experiences to share/questions.
Reading Assignment Due: Read Blosser Chapters 10 (pgs. 330-363); Blosser Chapter 9 (pgs. 282-295); and Blosser Chapter 12 (pgs. 380-397). Assigned Power Point presentations.
Master Clinician Thank You Letters DUE (20pts): Email to me: Rough Draft Thank You Letters to your Master Clinicians, the Director of the Speech Programs, the principals at your sites. Be sure to include a positive paragraph about your Master Clinician’s skills in the letters to the principals and directors.

Tuesday, April 17

** Site/ Master Clinician Evaluation DUE (20 pts)
Certification, credentialing, and Licensing paperwork discussion
Discussion: Placement updates/experiences to share/questions. Assigned Power Point Presentations.
Reading Assignment Due: None
Research Assignment Due: Review the following websites and print out instructions and forms for paperwork submission to begin the process for obtaining the following:
California License:
Speech-Language Pathology and Audiology Licensing Board. www.slpab.ca.gov
ASHA CCC:
American Speech Language Hearing Association www.ASHA.org
Credential: You need to apply and be recommended by the Credentialing Office on campus. You do not apply directly to the California Commission on Teacher Credentialing.

Tuesday, April 24
Discussion: Placement updates/experiences to share/questions. Complete remaining Power Point Presentations.
Questions re: Licensure, CCC, and California Licensure.

Tuesday, May 1

Tuesday, May 8 - Last Class.
Discussion: related to Licensure/ ASHA Certification/ California Credentialing
Turn in any late assignments/paperwork.

Monday, May 14
Finals Week
CSAD 250: Speech/Language Internships Seminar

This course has been designed to be in direct support of the following American Speech-Language Hearing Association (ASHA) Knowledge and Skills Acquisition (KASA) for certification in Speech-Language Pathology:

CSAD 250 Speech/Language Internships Seminar:

Standard IV-E, IV-G, IV-H: Contemporary Professional Issues
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: standards of ethical conduct.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: contemporary professional issues and advocacy.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: certification, specialty recognition, licensure, and other relevant professional credentials.

Standard IV-F: Research
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: processes used in research and integration of research principles into evidence-based clinical practice.

Standard V-A: Oral and Written Communication
- The student will demonstrate skill in oral and written or other forms of communication sufficient for entry into professional practice.
