Developmental Brown Bag
Lecture and Discussion Series

All are welcome to attend.

The Developmental Brown Bag is a lecture and discussion series that discusses a variety of topics related to language development and disorders. Housed in the Department of Communication Disorders, it is open to students from all departments. Students generate a list of topics they would like to cover over the course of the semester. In addition, students often bring in guest speakers from the campus or the community to speak on topics of interest.

**Faculty Moderator:** Tonia N. Davis, Ph.D, CCC-SLP

Interested in attending? The topic for each week is emailed out a week in advance.

**Spring 2019 Schedule:**

- **Days:** Select Tuesdays
- **TIME:** 1:00-1:50pm
- **LOCATION:** Folsom Hall 1029

**Interested in speaking?**
