

SCHOOL OF NURSING

Bachelor of Science in Nursing Fees - Additional Expenses

Nursing school is a fairly expensive endeavor. In addition to registration fees, transportation costs, and health insurance, a student enrolled full time in the undergraduate program can estimate the following additional expenses. (All prices are approximate and are subject to change.) Clinical nursing majors are charged a Skills Lab Fee to provide funding for necessary laboratory supplies. The Skills Lab Fee must be paid by semester clearance deadlines. The following are estimated fees according to the four-semester curricular pattern.
