

**If there are more than one behaviors of concern,**

a) identify ways in which the behaviors might occur together. \_\_\_\_\_

---

---

---

---

---

---

---

---

---

---

b) identify if any of the behaviors are temporally related to each other (i.e., occur at about the same time). \_\_\_\_\_

---

---

---

---

---

---

---

---

---

---

c) identify if any of the behaviors occur in a predictable sequence. \_\_\_\_\_

---

---

---

---

---

---

---

---

---

---

d) identify if any of the behaviors occur in response to the same type of situation: \_\_\_\_\_
