MIS 182 - Database Management Systems for Business

Peer Evaluation

Due Date: Tuesday, December 16

Instructions: Print this document, and assess each member's contribution and participation to your group's project. For each member, (1) clearly list and describe the contributions s/he made, and (2) state whether s/he should receive the same grade as everyone else, or a different grade. Comments are optional. The contents of your assessment will remain confidential. To ensure its confidentiality, please submit your evaluation separately from others, and in a sealed enclosed envelope.

Your name:
Describe 3 of your most important contributions to the assignment:
1.
2.
3.

Given your contributions/participation, your grade should be:

Lower than the group's _____   By what percent? -_____%

The same _____

Higher than the group's _____   By what percent? +_____%

Comments *(optional)*:

_____
