

Chemistry Club

2/1/17

First meeting of the semester!

Money raised from our goggle sales is used for pizza and we also donate \$1,000 to the Richard Fish Scholarship semester!

Thanks to everyone who volunteered their time for the goggle and glove sales! If you didn't make it out this time, we do these sales at the beginning at every semester so help out next semester if you can.

Bayer Crop Science Tour

Friday, February 17th at 2:00pm

Carpool leaves sequoia at 1:15 pm

Come have fun and tour the facilities with us!

ACS National Convention

April 2nd to April 6th

We will be presenting a poster at this convention.

Other ideas:

Winery and Brewery tours: Storybook, Gallo, Sierra Nevada...etc

Pharmaceutical companies

Doing a booth at an elementary science fair

Different Monsanto site?

Shriner's Hospital Visit

March or April?

We will be coordinating with the physics club for this activity.

End of the Year BBQ!

Burgers, Hot Dogs and more at the end of the year!

UC Berkeley Chemistry Club

They're starting a new ACS chapter at UC Berkeley!

They want us to do a collaborative event with them.
