

Chemistry Club minutes 3-13-2023

Hello there friends,

Happy Monday, sending best wishes for midterms. Here are the announcements:

Friday there will be a demo for Edna Batey elementary school event. The testing is a vortex cannon. If there are more sweet ideas please email professor K. Email: [ckyuen@csus.edu](mailto:ckyuen@csus.edu)

Remember ACS Membership 25\$ (free with club reimbursement) /need help signing up contact Jake or ask in Discord. The reimbursements will provided so screenshot or show the membership processing/receipt.

Events: social time

Contact with distillery facility for a Saturday tour on April 1st. 2:15 pm for tour for all ages.

Crime lab: Discord and emails will follow up on any updates. No day yet but some Friday after spring break

Remember to take it easy and see you next meeting on April 10, stay safe and good luck on those midterms! : D
