

Date: 09/04/2025

Time Start: 5:00 PM

Officer Introductions

- President - Kevin
- Vice President - Tanishka
- Secretary - Joyce
- Treasurer - Fran
- Activities Coordinator - Parker

Information About Chem Club

- American Society of Chemistry chapter (ACS)
 - Member can sign up for free
 - Have research opportunities for undergraduates and graduates

Events We Do

- Homecoming (10/18, 2-5 PM)
 - Tabling at the tailgate (usually at the Alumni Center)
 - Doing fun and safe experiments to get more people interested in chemistry and science in general
 - Need volunteers to sign up
- Mole Day (10/23)
 - Setting up tables in the Sequoia Hall 1st floor lobby
 - Do small games and give away mole decorated cupcakes
 - ➔ Guess how many moles are in the container, closest answer will win a prize
 - Cupcakes are decorated the day before
 - Volunteer sign up sheet will be passed around a few weeks before the day
- Edna Batey Science Night
 - At Edna Batey Elementary School
 - Do experiments and teach science to little kids

- To encourage and young people to explore science

Other Information

- PPE Sale
 - Beginning of each semester
 - Members can sign up to volunteer
 - ➔ More information will be posted during the break along with the sign up sheet
 - Money from sales goes towards food for each meeting and events
- Events/Activities
 - If you have something you want to do such as lab tours, bowling, game nights, etc., reach out to Parker, so he can organize them
 - ➔ You can also reach out to the other officers as well
 - Activities that require members to pay, Chem Club will pay for most
 - ➔ Expensive ones such as escape rooms, Chem Club will ask you to pay part of it, but the club will cover most expenses

Time Adjourned: 5:35 PM
