In our Letter to the Friends of the Marysville Bok Kai Temple on July 25, 2005, copy attached, we transmitted a check for \$2250 for the restoration of the Bok Kai Temple project. These funds were to be allocated to restore the courtyard as part of the Bok Kai Temple restoration project. Our understanding is that the courtyard was restored with funds from the Sutter Buttes Garden Club and the \$2250 that we donated is not needed for the courtyard.

Since there is a current effort underway to restore the Chinese school building at 226 First Street, we are modifying our request of July 25, 2005 to have the \$2250 reallocated to that effort. The Chinese school building is an integral part of the Chinese Community and we fully support the restoration.

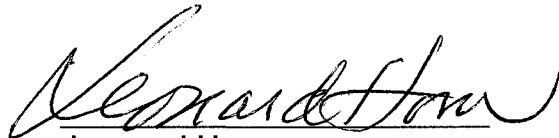

This letter supercedes our July 25, 2005 letter to your organization.
