

Square circle star drill

Instructions

- Create a full-page pattern using the specified objects below.
 - 1.) Draw a 1" square.
 - 2.) Draw a 1" circle.
 - 3.) Draw a five-pointed star to fit inside the circle.
 - 4.) Align all the objects on top of each other.
 - 5.) Color as shown.
 - 6.) Now, use Move to create a duplicate set of objects, aligned as shown.
 - 7.) Color as shown.
 - 8.) Cover the entire page with similar objects (as shown on page 2). Align the objects precisely.
- Be sure to practice this until you can do the entire drawing in under five minutes.
