Art 97 Sketchbook Checklist: Project 3

Sketchbooks contain:
1. Print outs of a minimum of one Project 3 file. Include additional files made for extra credit. Describe the processes that led to your final image(s).
2. Print outs of photo sources used in your final file(s).
3. Print out of your text / poem image. Describe the process of creating your visual image.
4. A copy of the entire poem used for the text / poem file. Include Title, artist, date.
5. Sketches (if you did sketches during this project). Include a print of the transparent sketch extra credit tutorial if you did it.
6. Class notes
7. Handouts (project information, checklists, tutorial descriptions and Photoshop information)
8. Summary notes outlining *Digital Art* reading assignments (Chapter 3)
