

Hornet Laptop Discount Program

How to buy your new laptop and apply your HEERF discount

Online

"I already know what I'd like to buy" "I'm not local, and need my laptop shipped to me"

- Sign in or create a Hornet Bookstore online account at hornetbookstore.com.
- Under "My Account," click "Student Accounts/VA/Laptop Credit" and enter your Student ID and PIN to view your HEERF discount before you shop.
- Type "Laptop" into search, and click on the "Shop Now" button to view eligible laptops. Add your selection to your bag and proceed to checkout.

Through the <u>Bookstore Loan Program</u>, you're welcome to add other eligible coursework essentials in the same transaction (up to \$2,000), but the HEERF discount will only apply to an eligible laptop.

Under checkout and payment method:

- 1. Check the "Student Accounts / VA / Laptop Credit" box
- 2. Enter your Student ID and PIN (your birthday MM/DD)
- 3. Click "Find Accounts"
- 4. Under Hornet Laptop Discount Program, read/agree to the "Financial Aid Terms & Conditions," and click "Pay With This" to redeem your HEERF discount.

Choose how to pay the balance, such as credit/debit, PayPal, OneCard, Gift Card, or adding to your Student Account (you'll need to also accept the Financial Aid Terms & Conditions).

That's it! Be sure to hang onto your receipt, and in addition to the standard manufacturer's 1-year warranty, consider purchasing an additional Safeware protection plan which includes accidental and liquid damage protection. You can purchase it in-store within 1 year of buying your laptop.
