MESSAGE FROM THE CHANCELLOR

Dear Class of 2026:

Today marks both the end of your time with the California State University and the start of an exciting new chapter. Along with the degree you worked so hard to earn, you have gained knowledge, skills and connections that I know will take you far.

Your accomplishment is celebrated today by so many people, including those who supported you on this journey: your family, friends and all those whose love sustained you; the faculty who trained you to look at the world with a critical eye and an open mind; and the counselors, advisors, librarians, tutors and coaches who together created an encouraging environment for you to succeed and to thrive.

You have made all of them, and me, extraordinarily proud.

As you face new opportunities in the days ahead, you will do so empowered by your membership in a vibrant global network of more than 4.5 million CSU alumni. Together, you are certain to enrich our workforce and communities. After all, CSU alumni (like you!) have so much to contribute, whether it is exploring solutions to society's greatest challenges, working to educate and inspire the next generation or powering the fight for democracy and a more just world.

No matter the path you choose, please stay connected to your alma mater and to the CSU. Your connections – both to your campus and to other CSU alumni – are powerful tools that can help to open new doors of possibility. Likewise, I encourage you to offer support to all those who aspire to follow in your footsteps in pursuit of a CSU degree.

You begin writing your next chapter today – and I wish you every success. May your hard work and creativity lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Felicitades, California State University Class of 2026! I can't wait to see all that you will accomplish.

Warmly,

Mildred García, Ed.D.
Chancellor

MESSAGE FROM THE PRESIDENT

To the Spring 2026 Graduating Class,

Congratulations on achieving the outstanding accomplishment of earning your degree. Today we celebrate the dedication and perseverance you've shown in pursuing your goals. Your Hornet Family is proud to see you move forward into a bright future filled with possibility.

Today marks a milestone achieved through the encouragement, understanding, and sacrifices made by your support system. As we celebrate your success, it is important that we also honor those who helped you to get here. I encourage you to take a moment to appreciate all those who helped make today possible—from the friends and family members who offered emotional (and sometimes financial) assistance, to the professors whose guidance expanded your knowledge and skills. Reaching this milestone would not have been possible without the collective effort of those who care about you.

Your accomplishment serves as motivation for others to envision their own success. Both people you know and people you have never met will learn of your achievement and feel inspired to begin or complete their own journeys. You have turned your dream into reality, and in doing so, you have encouraged others to do the same. As you cross the Commencement stage—perhaps something no other member of your family has done—you create a path for others to follow.

Though your time on campus may be ending, you will forever be part of the Hornet Family. You join a network of over 300,000 alumni of Our Sacramento State. Belonging to this network comes with many benefits, and one new responsibility: being a source of support for your fellow Hornets. You now have the chance to pay it forward, to be a mentor, to offer wisdom and encouragement to those still finding their way. You can best honor those who helped you by being there for those who aim to follow you.

Today we are pleased to celebrate your graduation, and we eagerly anticipate the next chapters you will write. The foundations you established during your time at Our Sacramento State will support your continued personal growth and professional success. Your graduation may close this phase, but it opens the door to a lifetime of opportunities. We cannot wait to witness all you will accomplish. Congratulations! Your Hornet Family is proud of you.

Stingers Up!

Dr. Luke Wood
President

MESSAGE FROM THE FACULTY SENATE

Dear Graduate,

The Faculty Senate of California State University, Sacramento, is pleased to join your family and friends in congratulating you on your accomplishments. The degree you have earned and the awards ceremony today represent and celebrate a great achievement and personal milestone in your life.

The success of any graduate comes as the result of years of hard work, sacrifices, perseverance, and dedication to purpose. Your strength of character, resilience, and grit have taken you to this moment. Today, you should pause to take pride in your accomplishments and the honor being bestowed on you.

Your progression toward your degree at Sacramento State has given you the chance to acquire skills, values, and knowledge that are particular to your major field of study as well as an appreciation for the broader knowledge that distinguishes the University graduate. We hope that you leave Sacramento State with a dedication to a life of inquiry and learning, the ability to think critically and articulate your positions, and an appreciation of the value of diversity and working collaboratively with others. These values and skills should serve you well as you face the future with its challenges, promises, and many opportunities.

We, the faculty of California State University, Sacramento, are extremely proud of you. We truly wish you the best in your future endeavors, and hope that you remember to never accept the status quo, always ask questions, be critical in your thinking, innovate, and always be your true authentic self. As you find success in whatever path you take, we encourage you to seek ways to serve your community so that those who follow in your footsteps may have the same opportunity to succeed that you have had.

Congratulations, best wishes, and every success now and for the future.

Carolyn Gibbs
Chair, Faculty Senate

MESSAGE FROM THE ASI PRESIDENT

Dear Class of Spring 2026,

On behalf of Associated Students, Incorporated, and the Board of Directors at Sacramento State, I am honored to extend my heartfelt congratulations to each and every one of you on achieving this incredible milestone—your graduation.

Today, we celebrate not only this moment but also every small win that led you here, inside and outside the classroom. We honor the mentors, family, and friends who supported you along the way and helped you reach this day.

As your Student Body President, and as the first international student to hold this position, I have found it to be one of the greatest honors of my life to serve such a diverse and inspiring community. Each one of you carries your own story, your own journey, and your own uniqueness, and together, that's what makes Sac State so special. Together, we define Sac State. Together, we make Sac State.

Today's celebration is not the end of a chapter, but the beginning of another. All those late-night study sessions powered by caffeine, the "I'll just check Canvas really quick" moments that somehow turned into finishing the assignment due in an hour, every challenge you've overcome, and every connection you've made along the way have led you to this moment. As you step into the next stage of your life, I encourage you to carry with you the lessons learned here. Embrace the world with open arms, seize every opportunity that comes your way, and let your green-and-gold spark shine wherever you go because you are Made at Sac State.

Thank you for allowing me the privilege of serving as your Student Body President. It has been an honor to learn from you, grow with you, and I am ready to cheer the loudest as you prepare to walk the Commencement stage. No matter where life takes you next, may you always carry the Hornet pride in your hearts.

Stingers Up,

Aranjot Kaur
ASI President & CEO

MESSAGE FROM YOUR ALUMNI ASSOCIATION

Dear Sacramento State Graduates of 2026,

Congratulations on reaching this significant milestone in your academic journey! On behalf of the Sacramento State Alumni Association, I am thrilled to welcome you to our esteemed alumni family. Your dedication, hard work, and notable achievements have brought you to this moment, showcasing the resilience and excellence that define our Hornet community.

Throughout your time at Sacramento State, you've not only earned a diploma but also gained valuable insights in the classroom, online, on the athletic field, and through meaningful interactions with faculty and peers. As you embark on the next chapter of your lives, we encourage you to continue dreaming, exploring, and making a positive impact on the world.

You are now a lifelong member of the Hornet Family, joining a network of more than 310,000 alumni. This community is here to support your ongoing success, and we invite you to take advantage of the services, programs, and events provided by the Alumni Association as you transition from student to alum.

Our mission is to support both Sacramento State and its alumni, offering a variety of resources to keep you connected to the University. Discover the benefits of your membership and explore the programs and services available on our website (SacStateAlumni.com).

We look forward to hearing about your future endeavors and achievements, so that we can both celebrate and support your success. We also encourage you to stay connected and participate in alumni activities. Congratulations, and welcome to our vibrant community of alumni!

Once a Hornet, always a Hornet - Stingers Up!

A handwritten signature in black ink, appearing to read 'Rabbil Green'.

HONORARY DOCTOR OF LAWS (LLD)

ELIZABETH G. HILL

LEGISLATIVE ANALYST (RETIRED), STATE OF CALIFORNIA

Elizabeth Hill commenced a career in state government in 1976, joining California's Legislative Analyst's Office (LAO) as a program analyst. Following specializations in various policy areas, she became the first woman to be appointed California Legislative Analyst by the Joint Legislative Budget Committee in 1986.

As Legislative Analyst, she served as a nonpartisan fiscal advisor to both houses of the California Legislature and oversaw the preparation of annual fiscal and policy analyses of the State of California's more than \$100 billion budget. In addition, she was responsible for the LAO's preparation of impartial analyses for all initiatives and constitutional measures qualifying for the ballot in 25 statewide elections.

During her career, Hill was an active member of the National Academy of Public Administration (NAPA); the Association for Public Policy Analysis and Management, serving a term as vice president; and the American Society of Public Administration (ASPA). She served on the editorial board of the *Public Administration Review*, and she was president of the western

region of the National Association of Legislative Fiscal Officers. In 1997, she was recognized as a "Public Official of the Year" by *Governing Magazine* and was a 2005 recipient of the National Public Service Award from ASPA and NAPA.

When Hill retired in 2008, she was praised by legislators from both sides of the aisle for her integrity, for speaking truth to power, and for being courageous through the toughest times. In retirement, she has devoted her time to issues of public policy, especially concerning health care and higher education. She was a founding council member of California Competes: Higher Education for a Strong Economy (a well-respected policy advocacy organization) and has served as its chair for several years.

Hill earned a bachelor's degree, with honors, in Human Biology from Stanford University, a master's degree in public policy from the University of California, Berkeley, and she was a Fulbright Scholar in Stockholm, Sweden. Her lifelong dedication to public service and her continued efforts on behalf of higher education make Elizabeth Hill an incredibly deserving recipient of this honor.

HONORARY DOCTOR OF LAWS (LLD)

ANH PHOONG ESQUIRE, PHOONG LAW

Anh Phoong's journey exemplifies the values, ideals, and aspirations of the California State University system. As the daughter of refugee parents, she embodies resilience, determination, and the pursuit of excellence—qualities that resonate with the diverse experiences of CSU students. Her trajectory from Sacramento State student to accomplished attorney and business leader reflects the transformative power of higher education and the CSU's mission to empower individuals to uplift their families and communities.

By establishing Phoong Law, she not only built a thriving woman-owned legal practice, but she also ensured that underrepresented and marginalized communities across California have access to justice. She has leveraged her professional platform to advocate for fairness, equity, and dignity—principles aligned with the CSU's vision of fostering inclusive excellence and social mobility.

Beyond her legal victories, her active involvement in charitable causes and her dedication to cultural communities highlight her commitment to the common good. Over the last several years,

she has donated to more than 100 nonprofit organizations, schools, and community programs. She has supported organizations such as Gigi's Playhouse for children with Down syndrome, the Sacramento Leukemia and Lymphoma Society, and Mothers Against Drunk Driving. She previously served on the board of My Sister's House, an organization supporting survivors of domestic violence, sexual assault, and human trafficking. While she stepped down to focus on raising her young children, her commitment to women's empowerment and community advocacy continues to shape her service.

Her focus on issues related to education has resulted in powerful changes to institutional structures and individual student lives. She is working with Sac State's CARE Center to support students with urgent needs; she has established a scholarship fund at Lincoln Law School to reduce the financial burden of legal education; and she regularly mentors aspiring attorneys.

Through her philanthropy, advocacy, mentorship, and institutional support, she has shown tremendous generosity and care for our community. Anh Phoong exemplifies outstanding service to the State of California, the California State University, and humanity at large. She personifies the CSU's highest aspirations for its diverse student population. Her dedication to these causes and values make her a most meritorious recipient of the Honorary Doctor of Laws degree from the CSU and Sacramento State.

HONORARY DOCTOR OF HUMANE LETTERS (LHD)

GARRY MAISEL

CHIEF EXECUTIVE OFFICER, WESTERN HEALTH ADVANTAGE

Garry Maisel's commitment to the community is evident in his every action as Chief Executive Officer of Western Health Advantage (WHA). As the founding CEO, he grew the company into a leading nonprofit health plan serving over 130,000 people across Northern California, with annual revenues exceeding \$1 billion. His focus on accessibility, community partnerships, and equity aligns with the CSU's mission to serve the public good and enhance the lives of diverse communities.

Maisel's civic engagement is remarkable. He believes in leveraging his expertise and experience to support various non-profit organizations and community causes. Maisel is currently an active community board member for organizations including the Greater Sacramento Area Economic Council (past board chair); WEAVE—Women Escaping a Violent Environment (past board chair); the Sacramento Region Community Foundation (board chair); the Crocker Art Museum (board chair); and Meristem—Serving Neurodiverse Young Adults.

His impact on Sacramento State has been transformative. As co-chair of the University Foundation's "On the Rise" campaign, Maisel helped the University surpass its \$229 million fundraising goal ahead of schedule, boosting resources for student success, academics, and campus innovation. He played a key role in securing a \$1 million gift from WHA to establish the Carlsen Center for Innovation & Entrepreneurship. His dedication is also demonstrated by a \$100,000 personal donation and a \$1 million estate gift to support future students.

Maisel holds a degree in finance and economics from Sacramento State and has accumulated over 34 years of experience in healthcare plus 10 years in the banking and finance industry, including time as the chief financial officer for a regional community bank. Maisel has received numerous awards, including the 2015 Humanitarian of the Year Award from UCP Sacramento; the 2019 Exemplary Leader Award from the American Leadership Forum—Sacramento Mountain Valley Chapter; the Sacramento Metro Chamber 2023 Sacramentan of the Year Award; and the 2017 President's Medal for Distinguished Service from Sacramento State. Each award recognizes the significant impact Maisel has had on Sacramento State and the broader community.

Maisel is a testament to the lasting effects of a Sacramento State education, showing how professional excellence is best when paired with civic responsibility. For these reasons and more, Garry Maisel is a most deserving candidate for an honorary doctorate from the CSU and Sacramento State.

EXPLANATORY NOTES

GRADUATING WITH HONORS: Honors are computed by the Office of the University Registrar using information through Fall 2025.

Bachelor's degree candidates who have completed a minimum of 30 graded Sac State units (excluding CR grades) with a GPA of 3.50-3.74 will graduate Cum Laude, students with a 3.75-3.89 GPA will graduate Magna Cum Laude, and students with a 3.90-4.0 GPA will graduate Summa Cum Laude. Honors at Commencement are based on units and CSUS GPA completed prior to the term of graduation for Spring 2026. Bachelor's degree candidates only. Students who subsequently improve their GPA will have the honors at graduation noted on their diploma and official academic record. Within the text of this program, honors are designated in the following way:

Cum Laude † (white honors cord)

Magna Cum Laude †† (silver honors cord)

Summa Cum Laude ††† (gold honors cord)

HONORS CORDS: Bachelor's degree candidates who meet the above requirements are eligible to wear honors cords as a special mark of the distinction they have achieved.

STOLE OF GRATITUDE: As most graduates have a special person who, through moral or financial support, has made a big difference in their life, the Stole of Gratitude offers an opportunity to say thank you. Following the ceremony, the graduate may take the stole from around their neck and place it around the neck of the recipient. Presenters often write a few words of thanks on the back of the stole.

PHOTOGRAPHY: Photographs and/or video will be taken during the course of this event for use in Sacramento State publicity materials.

EMERGENCY EXIT: Please follow instructions from Sacramento State staff.

DISCLAIMER: The Commencement program recognizes projected graduates from Spring 2026 and Summer 2026 as of March 24, 2026. Sacramento State has made every effort to ensure the accuracy of each name; however, incorrect listings and omissions may occur.

REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. U.S. universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. The pattern varies with the degree held: short sleeves for the bachelor's degree, pointed sleeves for the master's degree, and round full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down in the front with velvet panels and trimmed with velvet chevrons across the sleeves. The color of the velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter than the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet in the color pertaining to the subject of the degree.

THE CAP/TAM: The standard cap is the mortarboard, usually the color of the gown. Sacramento State standard tassel is gold. Tams are worn by doctoral candidates and faculty.

OFFICIAL COLORS

Represented among colors worn by members of the faculty are more than 100 colleges and universities from which they have earned their highest degrees. Major California universities represented are the gold and blue of the University of California and the cardinal of Stanford University. Official colors of California State University, Sacramento, are green and gold.

The color of the velvet band around the hood designates the academic major in which the wearer has taken their degree. Some examples for doctoral hoods are listed below:

AudiologyGreen
Education.....Light Blue
Philosophy.....Royal Blue
Physical TherapyTeal

The colors of the velvet bands on hoods worn by Sacramento State graduates receiving master's degrees are:

Master of Arts White
Master of Business Administration..... Drab (Taupe)
Master of EducationLight Blue
Master of Music Pink
Master of Nursing Orange
Master of Physical Therapy.....Teal
Master of Public Health Salmon
Master of Public Policy and Administration.....Peacock Blue
Master of Science..... Golden Yellow
Master of Social Work..... Citron

A&L
COLLEGE OF ARTS & LETTERS

SACRAMENTO
STATE

COLLEGE OF ARTS AND LETTERS

SPRING 2026

COLLEGE OF ARTS AND LETTERS

The College of Arts & Letters at Sacramento State is where bold ideas meet real impact. We are a destination for thinkers and doers, artists and advocates, innovators and entrepreneurs. Here, students graduate ready to lead—not just succeed.

Each year, nearly 4,000 majors and 27,000 other Sacramento State students take approximately 2,400 courses in Art, Communication Studies, Design, English, History, Humanities and Religious Studies, Music, Philosophy, Theatre and Dance, and World Languages and Literatures.

With over 55 undergraduate and graduate degrees, and nearly 25 minors, we offer one of the most diverse academic portfolios in the CSU system. Recent additions include Bachelor of Fine Arts degrees in Studio Art, Photography, Graphic Design, Interior Architecture, and Architectural Studies, and innovative courses including *The Rhetoric of Food*, and *Playing Books and Reading Games*. Certificates in Teaching English as a Second Language, Curatorial Studies, Spanish for Healthcare, Criminal Justice, Screenwriting, and Arts Entrepreneurship provide students with career-ready skills.

Our faculty are award-winning educators, scholars, and artists who mentor with rigor and heart. They publish acclaimed books, exhibit in major galleries, perform on international stages, and secure competitive grants from the National Endowment for the Humanities and Fulbright Program, among others. Their mentorship inspires students to think critically, create fearlessly, and lead with purpose.

Arts & Letters students distinguish themselves nationally and globally. They earn recognition for award-winning publications such as *The State Hornet*, *Clio: History Journal*, and *Calaveras Station*. Students win DownBeat Student Music Awards, Kennedy Center American College Theater Festival honors, and national Design and Debate competitions.

Beyond the classroom, A&L is a vibrant hub of cultural life. We host more than 350 performances, films, exhibitions, lectures, and readings annually. We are deeply connected to the community, partnering with local schools and prestigious institutions including the Crocker Art Museum, Sacramento Philharmonic & Opera, Blue Line Arts, and Verge Center for the Arts. These collaborations provide students with hands-on experience, amplify diverse voices, and strengthen Sacramento's cultural vitality.

Global engagement is central to our mission. Faculty-led study abroad programs and modern language courses take students around the world, literally and through global learning. Our ties to Japan include 45 years of Sister City partnership with Matsuyama and the United States' first Haiku Post Box—a symbolic gift of cultural exchange. Partnerships with Sorbonne Université in Paris and forthcoming programs across four continents connect students to a global network of scholarship, internships, and creativity.

Our global impact is exemplified through landmark collaborations. Our partnership with the French Ministry of Education supported recruitment initiatives through *Together for Education*, providing free, immersive workshops delivered by faculty and students for more than 400 participants at the prestigious MACTe center in the Caribbean. We also represented Sacramento State in Guadeloupe's renowned Carnival—placing 5th at the 2026 Mardi Gras parade—reflecting exceptional artistic distinction, collaborative strength, and cultural leadership.

Our alumni continue to make us Hornet Proud, including: Jamil Kochai (English), National Book Award finalist; Elaine Welteroth (Communication Studies), best-selling author and founder of BirthFund; Xavier Smalls (Theatre & Dance), actor in the Netflix series *Beauty in Black* by Tyler Perry, and Danielle Moné Truitt (Theatre & Dance), star in the hit series *Law & Order: Organized Crime*. We are especially proud of Ryan Coogler (who took Film courses in Communication Studies) for his recent Oscar win for the movie *Sinners*. These alumni achievements exemplify the transformative power of an Arts & Letters education.

STATE

COLLEGE OF BUSINESS

SPRING 2026

COLLEGE OF BUSINESS

For more than six decades, the College of Business at California State University, Sacramento, has consistently achieved its fundamental goals: to cultivate excellence in its graduates, and to develop business leaders possessing not only top management skills, but also a broad understanding of their responsibilities to business and the community. Our scholarship and community service support and enhance the college's educational programs.

- The college provides a fertile environment, combining applied research with a sophisticated, demanding curriculum and an active program of real-world experience.
- The college also serves as a unique continuing resource to its graduates and the regional business community through its innovative outreach programs and its advisory council. Our Center for Small Business is one of the largest in the country. Faculty supervise the casework of students who apply learned concepts and, through this experience, gain a better understanding of entrepreneurship and the business environment.
- The college has approximately 4,000 undergraduates, approximately 700 graduate students, and more than 40,000 alumni.
- The college is in its 6th decade of accreditation by the International Association to Advance Collegiate Schools of Business at both the undergraduate and graduate levels.

Students working toward the Bachelor of Science degree may select from the following concentrations: Accountancy, Business Analytics, Entrepreneurship, Finance, General Management, Human Resources Management, International Business, Management Information Systems, Marketing, and Supply Chain Management.

Graduate degree programs include: Master of Business Administration, Master of Business Administration with concentrations in Finance, Entrepreneurship & Global Business, Business Analytics and Healthcare, Master of Science in Accountancy, Master of Business Administration for Executives (EMBA), and Online Master of Business Administration (iMBA), Master of Science in Business Analytics, and Master of Science in Finance.

COLLEGE OF BUSINESS

COLLEGE OF EDUCATION

SPRING 2026

COLLEGE OF EDUCATION

As a comprehensive college, the College of Education collaborates with the region's professional communities in preparing future educators, leaders, and professionals to serve as agents of positive social change toward a more just, equitable, and inclusive society. We support the career aspirations and personal growth of students with diverse identities and backgrounds. We provide informed advice and applied research services to local and global communities.

Our graduates are sought after for their knowledge, practical skills, ability to work collaboratively, and to lead social change in diverse communities. Our faculty members are valued for their ability to partner with practitioners and their expertise in research, policy, and practice. We are proud of our forward-looking, student-friendly organizational culture, and look forward to being integral to the region's success.

The College of Education community shares certain values. We consider diversity of student body, staff, and faculty to be essential to our academic mission. We strive to provide affirming and inclusive learning and working environments to all students, faculty, and staff in accordance with their needs, strength, and identities. We pursue truth, and we defend evidence-informed decision making, and theories and practices supported by facts. We expect our graduates to contribute to the common good and to work always within the boundaries of fairness and collegiality.

The College of Education offers pathways into many possible careers, through the Bachelor of Science, Bachelor of Arts, Master of Science, Master of Arts, Master of Arts in Teaching, Master of Arts in Special Education Teaching, Educational Specialist in School Psychology, and Doctorate in Educational Leadership degrees.

Today's graduates will go on to shape the lives of others through their service as teachers, counselors, school psychologists, special educators, workforce and career specialists, professionals in deaf-related fields, and leaders in schools, community colleges, community-based programs, and public and private institutions, agencies, and organizations throughout the Sacramento region and beyond.

Congratulations to all our graduates! We are very proud of you today.

COLLEGE OF EDUCATION

SPRING 2026

COLLEGE OF ENGINEERING AND COMPUTER SCIENCE

Through innovation, a balance of theory and practice, appreciation for diversity, community engagement, integrity, and accountability, we strive to remain a valued community of scholars in which students are engaged in diverse learning experiences with faculty who are devoted to student success and technical achievement. Our contemporary curricula, engaging pedagogy, impactful scholarship, and applied research allow our college to continue to produce exceptional career-ready graduates who are prepared for a lifetime of professional achievement and intellectual growth. More than ever before, industry recruiters see our college as a source of employee talent throughout the state.

Annually, the College of Engineering and Computer Science graduates nearly 1,000 career-ready leaders who are prepared to deliver practical solutions for society's problems. Our College has an enrollment of almost 5,000 students, of whom approximately 10% are graduate students. Engaging these students are more than 60 full-time, tenure-track professors, who are leaders in their field of expertise and supported by a dedicated staff of professionals. The College of Engineering and Computer Science offers six fully accredited bachelor's degree programs: Civil Engineering, Computer Engineering, Computer Science, Construction Management, Electrical and Electronic Engineering, and Mechanical Engineering. At the graduate level, we offer five master's degree programs: Civil Engineering, Computer Engineering, Computer Science, Electrical and Electronic Engineering, and Mechanical Engineering.

COLLEGE OF ENGINEERING AND COMPUTER SCIENCE

*This ceremony will be celebrated with
the College of Education and the College of Natural Sciences and Mathematics*

FRIDAY, MAY 22, 2026 | 3 - 5:30 P.M.

PROCESSIONAL

COLLEGE OF HEALTH AND
HUMAN SERVICES

SPRING 2026

COLLEGE OF HEALTH AND HUMAN SERVICES

The College of Health and Human Services (HHS) includes the Schools of Nursing and Social Work, the Division of Criminal Justice, and the departments of Communication Sciences and Disorders, Kinesiology, Physical Therapy, Public Health, and Allied Health Sciences. Taken together, the College's academic programs meet 15 sets of external accreditation and licensing standards and are recognized for quality, currency, and innovation. The college provides academic programs that educate and empower students, serve and enrich diverse communities, promote wellness, and inform policy and best practices.

Through our programs, students join with faculty to work in internships, clinical rotations, and field placements and participate in and conduct research directly related to community well-being. The faculty and staff are committed to student success and best practices. The college operates six pro bono physical therapy clinics and is the home to the Maryjane Rees Language, Speech and Hearing Center, which assesses and treats over 1,000 clients each year in its Speech and Language Clinics and Audiology Clinics. The college is home to the Center for Health Practice, Policy, and Research (CHPPR) and its mobile health care initiative Health Hive, which are dedicated to impacting community health by promoting collaboration, transdisciplinary practice, and innovation to reduce health inequities in California's capital region. The college also houses the Center for African Peace and Conflict Resolution, the Law Enforcement Candidate Scholars (LECS) program, and the HHS Student Success Center, which makes over 8,200 student contacts per year.

The college has a significant impact on the delivery of health and human services in the Sacramento region and beyond, with more than 8,000 current students. HHS is proud to collaborate with campus partners to diversify the region's workforce and serve the needs of the community. More than 61,000 HHS alumni have a significant impact on the delivery of health and human services in the Sacramento region and beyond.

COLLEGE OF HEALTH AND HUMAN SERVICES

SATURDAY, MAY 23, 2026 | 9:30 - 12 P.M.

AND MATHEMATICS

SPRING 2026

COLLEGE OF NATURAL SCIENCES AND MATHEMATICS

The College of Natural Sciences and Mathematics educates a richly diverse scientific workforce and fosters scientific and mathematical literacy in the greater community. Our degree programs, research opportunities, internships, and strong student support prepare graduates to achieve lifetime career success, contribute to knowledge, and help solve societal problems. Our faculty, students, and graduates promote regional progress through professional activities and community collaborations.

College programs emphasize hands-on experiences and interaction with professors. Extraordinary opportunities for students include our Summer Undergraduate Research Experience Program, a Professional Science Master's in Stem Cell Research, a Certificate in Scientific Computing and Simulation, and more. Collaborating with faculty, students participate in research that often focuses on issues of regional importance, and each year, students present the results of their research at scientific conferences throughout the region and nation. Students in the classroom have access to state-of-the-art instrumentation and unique facilities such as a well field for monitoring groundwater, a planetarium, and an astronomy observatory.

We believe that science more effectively serves society when informed by diverse perspectives. We are committed to recruiting and graduating students from populations typically underrepresented in the sciences. We nurture the success of our students through effective academic support programs. We strive to support regional progress by increasing the number of math and science teachers, improving the pipeline of well-prepared graduates going into science and mathematics fields, and building capacity for innovation in the region's workforce.

Congratulations to our graduates!

COLLEGE OF NATURAL SCIENCES AND MATHEMATICS

*This ceremony will be celebrated with
the College of Education and the College of Engineering and Computer Science*

FRIDAY, MAY 22, 2026 | 3 - 5:30 P.M.

PROCESSIONAL

LAND ACKNOWLEDGEMENT **Erika Cameron, Ph.D.**, *Provost and Senior Vice President for Academic Affairs*

THE NATIONAL ANTHEM **Julian Cunningham**, *Soloist*

RECOGNITION OF PLATFORM PARTY **Kevan Shafizadeh, Ph.D., P.E., T.E., PTP, PTOE**, *Dean, College of Engineering and Computer Science*

PRESIDENT'S WELCOME **Luke Wood, Ph.D.**, *President*

ASI PRESIDENT'S WELCOME **Aranjot Kaur**, *President and Chief Executive Officer, Associated Students, Inc.*

PRESENTATION OF HONORARY DEGREE **Elizabeth Hill**, *Legislative Analyst (Retired), State of California*

COLLEGE OF EDUCATION DEAN'S AWARDEE AND STUDENT COMMENCEMENT SPEAKER **Mayelli Gonzalez Munoz**, *College of Education, Child and Adolescent Development (Social and Community Contexts)*

COLLEGE OF ENGINEERING AND COMPUTER SCIENCE DEAN'S AWARDEE AND STUDENT COMMENCEMENT SPEAKER **Somaya Faruqi**, *College of Engineering and Computer Science, Mechanical Engineering*

COLLEGE OF NATURAL SCIENCES AND MATHEMATICS DEAN'S AWARDEE **Emily Lam**, *College of Natural Sciences and Mathematics, Chemistry*

COLLEGE OF NATURAL SCIENCES AND MATHEMATICS STUDENT COMMENCEMENT SPEAKER **Ashley Gracelyn Smith**, *College of Natural Sciences and Mathematics, Mathematics*

REGALIA RECOGNITION **Greg B. C. Shaw, Ph.D.**, *Interim Dean, College of Education*

INDIVIDUAL RECOGNITION OF MASTER'S AND BACHELOR'S DEGREE CANDIDATES **Shannon Datwyler, Ph.D.**, *Interim Dean, College of Natural Sciences & Mathematics*

HONORS RECOGNITIONS **Kevan Shafizadeh, Ph.D., P.E., T.E., PTP, PTOE**

CONFERRAL OF DEGREES **Trustee Julia I. Lopez**
Luke Wood, Ph.D.

CONCLUDING REMARKS **Luke Wood, Ph.D.**

COLLEGE OF SOCIAL SCIENCES AND
INTERDISCIPLINARY STUDIES

SPRING 2026

COLLEGE OF SOCIAL SCIENCES AND INTERDISCIPLINARY STUDIES

Established in 1996, the College of Social Sciences and Interdisciplinary Studies is the second-largest college at Sacramento State. Through 15 departments and programs and affiliated centers, we advance teaching, scholarship, and community engagement in service of our students, the region, and the public good. Our diverse portfolio of majors is united by a shared commitment to social justice, equity, and interdisciplinarity. We bridge liberal arts education and professional preparation by embedding data literacy, digital fluency, and applied problem-solving across the curriculum. Students engage in learning both inside and outside of the classroom to examine complex social challenges and translate knowledge into action.

The college serves as a hub for new ideas and academic connections at Sacramento State and as Sacramento's center for applied social science. Through internships, service learning, community-based research, and strengthened graduate and professional programs, our faculty and students address past, present, and emerging issues at the local, national, and global levels using intersectional approaches. We strengthen our visibility and impact through partnerships, public events, policy briefs, and research showcases. Our graduates leave prepared to think critically, work across disciplines, challenge the status quo, and contribute to a more just and resilient society.

ALUMNI RESOURCES

Congratulations! You now belong to the Sacramento State alumni family. As your “Hornet Connection for Life,” your Alumni Association provides resources, discounts, and programming to help you make the most of the alumni network. Here are answers to our most frequently asked questions:

When will I receive my diploma?

Diplomas will be mailed to the address on file approximately three-to-four months after degree conferral, which follows final confirmation of grades and completion of your degree program. Please ensure that you update your address with Sacramento State, either through the My Sac State Portal or through the Alumni Association’s homepage at SacStateAlumni.com.

How do I request my transcripts?

Transcripts must be requested in person, by mail (student’s signature required), or online (for an additional fee). Orders are not accepted by telephone, fax, or email. When ordering transcripts in person, please be sure to bring your photo ID. Visit csus.edu/student-life/records-transcripts/transcripts/.

Am I still eligible to use the Career Center?

Graduates continue to have access to the Career Center after graduation. You will find workshops and career fairs listed on the alumni events page at SacStateAlumni.com and the full services of the Career Center at csus.edu/careercenter.

How do I join the Alumni Association?

Visit SacStateAlumni.com, stop by the Harper Alumni Center, or look for Alumni Association representatives at most major Sacramento State events. As a new grad, there is no cost to become a member, and being an active member is a great way to show you are a #Hornet4Life. There is no better time to get involved! Claim your membership at SacStateAlumni.com.

What are the benefits of joining the Alumni Association?

Your Alumni Association membership is a powerful resource that connects you to a network of more than 300,000 alumni, helps advance your career, and shows your Hornet pride. You can join a chapter, attend special events, connect with others who are working in your field, and get advice from experienced alumni. One of our most popular benefits for recent graduates is a significant discount on membership to The WELL. For a complete list of benefits, visit: SacStateAlumni.com.

I just moved. How do I update my address?

Update your address, phone number, name, or any other information at SacStateAlumni.com or by contacting the Alumni Association. Be sure to provide your email address to receive *Sac State Connection*, the monthly alumni e-newsletter.

Sacramento State Alumni Association
6000 J Street, MS 6024, Sacramento, CA 95819
