

## FROM THE OFFICE OF THE PRESIDENT PRESIDENT'S UPDATE

### To All Members of the Campus Community:

Many of you have been eagerly awaiting the release of the 2026 Spring Commencement schedule, so it gives me great pleasure to announce that the ceremonies will take place May 22 and 23 at Golden 1 Center. We are ready to celebrate the success of all spring and summer 2026 graduates with their friends and families.

Sacramento State's [Commencement](#) website has been updated with the detailed schedule and other important information about the Spring Commencement ceremonies. Spring and summer 2026 graduates should read the [Graduate Information and FAQ](#) page for answers to common Commencement-related questions.

Eligible graduates must register to participate in Spring Commencement. In early March, students will receive an email with instructions to register and claim guest tickets through their Student Center.

Only spring 2026 and summer 2026 graduates are eligible to participate in 2026 Spring Commencement ceremonies. We are unable to accommodate requests for exceptions.

We look forward to celebrating this significant occasion with the Hornet Family.

Stingers Up!
