MESSAGE FROM THE CHANCELLOR

Dear Class of 2025,

As we celebrate your accomplishments today, I hope you'll take a moment to consider how much you've changed since you first set foot on campus. In your time at the California State University, you have transformed yourself from someone with big dreams on a quest for knowledge into a person empowered to make limitless contributions to our world.

This transformation was inspired, supported and admired by your family, friends, colleagues and loved ones, who have cheered you on through your academic journey. It was spurred by your faculty, who have helped you develop a critical eye and a creative mind. And it was reinforced by the work of your counselors, advisors, librarians, tutors and coaches, who fostered an encouraging environment for you to persist, thrive and succeed.

You have filled all of us with pride.

You are now part of a vibrant network of well over four million CSU alumni who are powering California, the nation and the world. Together, you will solve our greatest challenges, educate the next generation, fight for democracy and a more just society, and enrich our workforce and communities with your talents.

As you continue on your exciting path forward, please stay connected to your alma mater and to the CSU. I hope you will use your connections – both to your campus and to other CSU alumni – to open new doors of possibility and to make a meaningful impact in your chosen field. I also encourage you to reach back often to support those who aspire to follow in your footsteps.

Today's event is called "commencement" for a reason. It is not an end, but rather the beginning of your next great pursuit. May your hard work and sacrifices lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2025. We can't wait to see all that you will accomplish.

Sincerely,

Mildred García, Ed.D.
Chancellor

MESSAGE FROM THE PRESIDENT

To the Graduating Class of 2025,

Congratulations on the outstanding accomplishment of earning your degree. Today, we celebrate your dedication and perseverance in pursuing your dreams. Your Hornet Family could not be prouder to see you take this step into a bright future filled with possibility.

Graduating from college is a milestone achieved through the support, encouragement, and, often, sacrifices made by family, friends, and other supporters. As we celebrate your success, it is important that we also honor those who helped you to get here. Take a moment to appreciate all those who helped make today possible – from the friends and family members who offered emotional (and sometimes financial) support, to the professors whose guidance expanded your knowledge and skills. Reaching this milestone would not have been possible without the collective effort of those who care about your success.

Your graduation is a testament to the power of perseverance and support. Your accomplishment will motivate others – from family members to people you have not even met – to envision their own success. You have turned your dream into reality, and by doing so you have inspired those who will see you cross the stage on this momentous occasion, perhaps something no other member of your family has done before. You now have the chance to pay it forward, to be a mentor, offering wisdom and encouragement to those still finding their path.

Though your time on campus may be ending, you will forever be part of the Hornet Family. Today, you join a network of over 300,000 alumni of Sacramento State. You can best honor those who helped you on your journey by being there for those who follow in your footsteps. You will always be extremely important members of the Hornet Family, and we hope that you will continue to reach back and help your fellow Hornets.

As we celebrate your graduation, we also eagerly anticipate the next chapters you will write through hard work and perseverance. The foundations built at Sacramento State will support your continued personal growth and professional success. Your graduation may close this phase, but it opens the door to a lifetime of possibilities. We cannot wait to witness all you will accomplish. Congratulations! Your Hornet Family is proud of you.

Stingers up!

MESSAGE FROM THE FACULTY SENATE

Dear Graduates,

The Faculty Senate of California State University, Sacramento, is pleased to join your family and friends in congratulating you on your accomplishments. The degree you have earned and the awards ceremony today represent and celebrate a great achievement and personal milestone in your life.

The success of any graduate comes as the result of years of hard work, sacrifices, perseverance, and dedication to purpose. Your strength of character, resilience, and grit have taken you to this moment. Today, you should pause to take pride in your accomplishments and the honor being bestowed on you.

Your progression toward your degree at Sacramento State has given you the chance to acquire skills, values, and knowledge that are particular to your major field of study as well as an appreciation for the broader knowledge that distinguishes the University graduate. We hope that you leave Sacramento State with a dedication to a life of inquiry and learning; the ability to think critically and articulate your positions; and an appreciation of the value of diversity and working collaboratively with others. These values and skills should serve you well as you face the future with its challenges, promises, and many opportunities.

We, the faculty of California State University, Sacramento, are extremely proud of you. We truly wish you the best in your future endeavors, and hope that you remember to never accept the status quo, always ask questions, be critical in your thinking, innovate, and always be your true authentic self. As you find success in whatever path you take, we encourage you to seek ways to serve your community so that those who follow in your footsteps may have the same opportunity to succeed that you have had.

Congratulations, best wishes, and every success now and for the future.

Carolyn Gibbs
Chair, Faculty Senate

MESSAGE FROM THE ASI PRESIDENT

Dear Class of 2025,

On behalf of Associated Students Inc., Board of Directors at Sacramento State, I extend my heartfelt congratulations to each one of you on this momentous occasion of your graduation. Today marks a significant milestone in your academic journey, and it is with great pride and admiration that we recognize your hard work, dedication, and accomplishments.

As your Student Body President, I have had the absolute privilege of witnessing the resilience and determination displayed by your graduating class. Throughout your time here, you have not only excelled academically but have also contributed to the vibrant energy of our campus community. Your diverse talents, perspectives, and experiences have enriched Sac State forever.

Today, as you don your graduation caps and gowns, you symbolize the culmination of years of hard work, dedication, and perseverance. Each late-night study session, every group project, and all the moments of self-discovery have led us to this point. It's a testament to our commitment to education and personal development.

As you step into the next chapter of your life, I urge you to carry with you the lessons learned within these walls. The challenges you have faced, the friendships you have forged, and the knowledge you have acquired are invaluable assets that will undoubtedly serve you well in the future.

Lastly, I express my gratitude for allowing me to serve as your Student Body President. It has been my honor to represent you. I have full confidence that you will carry the spirit of our alma mater with you and keep the Hornet Family forever in your heart.

Nataly Andrade-Dominguez
ASI President and CEO

MESSAGE FROM YOUR ALUMNI ASSOCIATION

Dear Sacramento State Graduates of 2025,

Congratulations on reaching this significant milestone in your academic journey! On behalf of the Sacramento State Alumni Association, I am thrilled to welcome you to our esteemed alumni family. Your dedication, hard work, and notable achievements have brought you to this moment, showcasing the resilience and excellence that define our Hornet community.

Throughout your time at Sacramento State, you've not only earned a diploma but also gained valuable insights in the classroom, online, on the athletic field, and through meaningful interactions with faculty and peers. As you embark on the next chapter of your lives, we encourage you to continue dreaming, exploring, and making a positive impact on the world.

You are now a lifelong member of the Hornet Family, joining a network of more than 300,000 alumni. This community is here to support your ongoing success, and we invite you to take advantage of the services, programs, and events provided by the Alumni Association as you transition from student to alum.

Our mission is to support both Sacramento State and its alumni, offering a variety of resources to keep you connected to the University. Discover the benefits of your membership and explore the programs and services available on our website (SacStateAlumni.com).

We look forward to hearing about your future endeavors and achievements, so that we can both celebrate and support your success. We also encourage you to stay connected and participate in alumni activities. Congratulations, and welcome to our vibrant community of alumni!

Once a Hornet, always a Hornet - Stingers Up!

HONORARY DOCTOR OF HUMANE LETTERS (LHD)

TOM KARLO **GENERAL MANAGER EMERITUS, KPBS/SDSU**

Tom Karlo spent over 40 years as a leader in public media, making exceptional contributions that upheld and exemplified the values and mission of the California State University (CSU) system.

Mr. Karlo's career began while he was a student at San Diego State University, when he took a job as a camera operator at KPBS, the public media station affiliated with the University. He eventually became the station's general manager in 2009. Under his leadership, KPBS thrived, becoming one of the highest-rated public television stations in the nation and winning numerous awards, including three local Emmys. Mr. Karlo's innovative approach included merging the TV, radio, and digital departments into a single content-producing center, focusing on journalism and local content, which positioned KPBS as a leader in public media.

In 2023, he came out of retirement to lead Capital Public Radio (CPR), Sacramento State's public radio auxiliary, which was facing a severe financial crisis that threatened to collapse the station. As interim president and general manager, he implemented significant changes to stabilize the organization, including reducing expenses, streamlining operations, and increasing revenue. His efforts resulted in a 20% increase in radio listenership and a 12% increase in membership revenue. Mr. Karlo's leadership ensured the future of public media in Northern California, securing CPR's contract with NPR through 2028 and improving the station's overall sound and content.

Mr. Karlo's contributions extend beyond his professional achievements. He has been involved with various organizations, including the Public Broadcasting Service Board of Directors, California Public Television Board of Directors, and Sharp Health Care Board of Directors. Additionally, he worked as a cameraman for NFL Films for 40 years, filming 14 Super Bowls and earning an Emmy Award for Sports Cinematography.

A first-generation college student, Mr. Karlo exemplifies the CSU's mission to advance knowledge, provide opportunities for personal and professional development, and enrich the university and its communities. His work at KPBS and CPR significantly impacted public media, benefiting the California State University system and the broader communities in which he worked. Karlo has not only transformed public media but has also embodied the transformative power of education, inspiring future generations to use their skills and passion in service of their communities.

HONORARY DOCTOR OF HUMANE LETTERS (LHD)

PAUL LAU

CEO AND GENERAL MANAGER, SACRAMENTO MUNICIPAL UTILITY DISTRICT

Paul Lau is an exceptional leader whose accomplishments and commitments to education, sustainability, diversity, equity, and inclusion have benefited the Sacramento Region and have had significant impacts nationally and internationally.

Mr. Lau is the CEO and General Manager of the Sacramento Municipal Utility District (SMUD). His distinguished 42-year career with SMUD began as a student intern while he was attending Sacramento State. Under his leadership, SMUD became a pioneer in clean energy initiatives, aiming to achieve carbon neutrality by 2030. This ambitious goal reflects Mr. Lau's dedication to environmental stewardship, a value that resonates deeply with Sacramento State's mission. He has driven innovative projects, including smart grid technology and large-scale renewable energy projects, and has supported educational programs through scholarships and workforce partnerships, particularly benefiting students from underserved populations.

Mr. Lau also is active in international energy issues, serving as a delegate with the United States Energy Association and contributing to electrification and demand-side management in countries such as Bangladesh, India, and Jordan. He holds leadership positions in several organizations, including the Smart Electric Power Alliance, the Balancing Authority of Northern California, and the American Public Power Association. Locally, he serves on the boards of the Greater Sacramento Economic Council and Valley Vision, and he is a past chair of the Sacramento Asian Pacific Chamber of Commerce.

A Chinese immigrant who came to the United States in middle school speaking very little English, Lau's personal journey is a testament to his resilience and commitment to helping others. After graduating from Sacramento State with a degree in electrical engineering, he continued to give back to his alma mater by creating and maintaining internship and workforce development programs targeting diverse student populations, providing hands-on experience in clean energy technology and engineering. These programs help bridge the gap between the classroom and real-world career preparation, especially for students from underrepresented backgrounds. He also promotes STEM education among K-12 students in underserved communities, creating a pipeline of diverse students prepared to succeed in the CSU system.

Paul Lau's life and achievements embody the transformative potential of the California State University's mission. Through his visionary leadership, deep community engagement, and unwavering commitment to sustainability and education, he has become a powerful example of how individual passion can create meaningful, lasting change for society.

PRESIDENT'S MEDAL FOR DISTINGUISHED SERVICE

RANDY SOLORIO

GYMNASTICS HEAD COACH, RETIRED, SACRAMENTO STATE

For nearly four decades, Randy Solorio was a pillar of Sacramento State, leaving an indelible mark on the University as a coach, mentor, educator, and performer. His passion for gymnastics, commitment to student-athletes, and love for his campus community made him a beloved figure whose legacy will continue to shape generations to come.

Mr. Solorio first arrived at Sacramento State in 1986 as an assistant coach for the Hornet gymnastics program, helping lead the team to seven conference titles and four NCAA Regional appearances. In 2016, he took the helm as head coach, guiding the Hornets to a Mountain Pacific Sports Federation (MPSF) championship in his first season and overseeing some of the program's most successful performances. His coaching excellence earned him multiple accolades, including the USA Gymnastics Assistant Coach of the Year, and being a two-time recipient of the West Region Assistant Coach of the Year and the MPSF Assistant Coach of the Year awards. During the 2022-2023 season, Solorio was recognized for his outstanding service to the University, MPSF, and women's gymnastics.

Beyond his coaching achievements, Mr. Solorio was deeply committed to enriching the student experience. As a dedicated kinesiology instructor, he transformed learning into a joyful journey, with his ballroom dance class becoming a campus favorite. His influence extended well beyond the athletic realm; he served on both the University Foundation and University Enterprises Inc. boards, notably playing a pivotal role in securing a state-of-the-art training facility for Sacramento State's gymnastics program.

An accomplished gymnast himself, Mr. Solorio competed at UC Davis from 1980-82, earning All-America honors in three events before finishing his academic journey at Sacramento State, where he earned bachelor's and master's degrees.

His love for performance extended beyond athletics. A gifted singer and actor, he graced local theater stages and could often be heard performing the national anthem before gymnastics meets, joined by his wife, Jori, and daughter, Kaycee.

Randy Solorio's warmth, optimism, and unwavering dedication to Sacramento State made an immeasurable impact on all who knew him. His Hornet spirit remains woven into the fabric of the University he loved so deeply.

EXPLANATORY NOTES

GRADUATING WITH HONORS: Honors are computed by the Office of the University Registrar using information through Fall 2024.

Bachelor's degree candidates who have completed a minimum of 30 graded Sac State units (excluding CR grades) with a GPA of 3.50-3.74 will graduate Cum Laude, students with a 3.75-3.89 GPA will graduate Magna Cum Laude, and students with a 3.90-4.0 GPA will graduate Summa Cum Laude. Honors at Commencement are based on units and CSUS GPA completed prior to the term of graduation for Spring 2025. Bachelor's degree candidates only. Students who subsequently improve their GPA, will have the honors at graduation noted on their diploma and official academic record. Within the text of this program, honors are designated in the following way:

Cum Laude † (white honors cord)

Magna Cum Laude †† (silver honors cord)

Summa Cum Laude ††† (gold honors cord)

HONORS CORDS: Bachelor's degree candidates who meet the above requirements are eligible to wear honors cords as a special mark of the distinction they have achieved.

STOLE OF GRATITUDE: As most graduates have a special person who, through moral or financial support, has made a big difference in their life, the Stole of Gratitude offers an opportunity to say thank you. Following the ceremony, the graduate may take the stole from around his or her neck and place it around the neck of the recipient. Presenters often write a few words of thanks on the back of the stole.

PHOTOGRAPHY: Photographs and/or video will be taken during the course of this event for use in Sacramento State publicity materials.

EMERGENCY EXIT: Please follow instructions from Sacramento State staff.

DISCLAIMER: The Commencement program recognizes projected graduates from Spring 2025 and Summer 2025 as of March 18, 2025. Sacramento State has made every effort to ensure the accuracy of each name; however, incorrect listings and omissions may occur.

REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. U.S. universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. The pattern varies with the degree held: short sleeves for the bachelor's degree, pointed sleeves for the master's degree, and round full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down in the front with velvet panels and trimmed with velvet chevrons across the sleeves. The color of the velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter than the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet in the color pertaining to the subject of the degree.

THE CAP/TAM: The standard cap is the mortarboard, usually the color of the gown. Sacramento State standard tassel is gold. Tams are worn by doctoral candidates and faculty.

OFFICIAL COLORS

Represented among colors worn by members of the faculty are more than 100 colleges and universities from which they have earned their highest degrees. Major California universities represented are the gold and blue of the University of California and the cardinal of Stanford University. Official colors of California State University, Sacramento, are green and gold.

The color of the velvet band around the hood designates the academic major in which the wearer has taken their degree. Some examples for doctoral hoods are listed below:

Audiology	Green
Education.....	Light Blue
Philosophy	Royal Blue
Physical Therapy	Teal

The colors of the velvet bands on hoods worn by Sacramento State graduates receiving master's degrees are:

Master of Arts	White
Master of Business Administration	Drab (Taupe)
Master of Education	Light Blue
Master of Music	Pink
Master of Nursing	Orange
Master of Physical Therapy	Teal
Master of Public Health	Salmon
Master of Public Policy and Administration	Peacock Blue
Master of Science	Golden Yellow
Master of Social Work	Citron

SACRAMENTO
STATE

COLLEGE OF ARTS AND LETTERS

SPRING 2025

COLLEGE OF ARTS AND LETTERS

The College of Arts and Letters at Sacramento State engages faculty, staff, and students in the creation and study of what makes us human. We offer major programs in the areas of humanities, languages and literature, history, philosophy, communication studies, design, and the fine and performing arts. We also offer a completion degree in Arts & Letters for returning learners with some college but no degree. In classrooms, studios and field work experiences, Arts and Letters faculty and staff foster the creative and critical development of students' problem-solving skills, information literacy, verbal and written communications, as well as their design and artistic expression. Our students acquire diverse, intercultural competencies and a keen awareness of the past as they pursue the promise of the future. These skills, along with the fundamentals of a liberal arts education, prepare students for a lifetime of purpose and success in today's complex and dynamic society.

- The College of Arts and Letters offers more than 40 specialized undergraduate and graduate degrees in addition to nearly 30 minors and concentrations. More recently approved programs include the BA in Arts & Letters, Bachelor of Fine Arts degrees in Studio Art, Photography, Graphic Design, Interior Architecture, and Architectural Studies, a bachelor's degree in Design Studies.
- The College also offers more than 700 major, general education, and elective courses each semester to over 16,000 students.
- The Arts and Letters Professional Seminar Series (ALPSS), a collaborative program with the Career Center, along with certificates in Teaching English as a Second Language, Curatorial Studies, in Spanish for Healthcare (HEALS) and Criminal Justice, Certificate in Screen, Film & Television Writing, and our Certificate in Arts Entrepreneurship, provide additional preparation for career planning.
- The College's commitment to enhancing global awareness and engagement are furthered through faculty-led study abroad opportunities to Mexico, Japan, France, and Italy, focused graduate and undergraduate scholarships, and in partnership with College of Continuing Education newly established modern language courses for a global audience.
- In addition to well over 200 performances, films, exhibits, symposia, lectures, and readings, the College presents two annual anchor events for the community: U-Nite! each fall and Festival of the Arts (FOTA) each spring.
- We are committed to engaging with our community in multiple ways: public history and public art projects; K-12 arts education programs such as the String Project, theater performances for high school students; *Voces de Sacramento* (a Spanish-language writing contest); service-learning opportunities; and partnerships with community-based organizations such as 916Ink, Sacramento Promise Zone, and Sacramento Philharmonic & Opera, among others.
- Our students earn national and regional recognition for award-winning student publications, competitions, and performances including The State Hornet; Clio: California State University, Sacramento, History Journal; Downbeat Student Music Awards; and Kennedy Center American College Theatre Festival awards. Our Public Art students recently completed and installed *Tributary*, a monument celebrating Hornet spirit.
- Arts and Letters alumni continue to make us Hornet Proud. A few include, Jamil Kochai (English), author of "The Haunting of Hajji Hotak and Other Stories", a 2002 National Book Award finalist who has joined our faculty; Elaine Welteroth (Communication Studies), award-winning journalist and author of "More Than Enough: Claiming Space For Who You Are (No Matter What They Say)," and more recent graduates Jonathan Saatman and Sophia Silvers (Music), who recently performed in Sacramento Philharmonic & Opera's production of "Die Fledermaus" (The Bat).
- Our faculty actively publish, perform, and exhibit nationally and internationally and receive highly competitive grants, awards, and recognition, such as those from the National Endowment for the Humanities, Fulbright, and National Science Foundation.

COLLEGE OF BUSINESS

For more than six decades, the College of Business at California State University, Sacramento, has consistently achieved its fundamental goals: to cultivate excellence in its graduates, and to develop business leaders possessing not only top management skills, but also a broad understanding of their responsibilities to business and the community. Our scholarship and community service support and enhance the College's educational programs.

- The College provides a fertile environment, combining applied research with a sophisticated, demanding curriculum and an active program of real-world experience.
- The College also serves as a unique continuing resource to its graduates and the regional business community through its innovative outreach programs and its advisory council. Our Center for Small Business is one of the largest in the country. Faculty supervise the casework of students who apply learned concepts and, through this experience, gain a better understanding of entrepreneurship and the business environment.
- The College has approximately 4,000 undergraduate, approximately 700 graduate students, and more than 40,000 alumni.
- The College is in its sixth decade of accreditation by the International Association to Advance Collegiate Schools of Business at both the undergraduate and graduate levels.

Students working toward the Bachelor of Science degree may select from the following concentrations: Accountancy, Business Analytics, Entrepreneurship, Finance, General Management, Human Resources Management, International Business, Management Information Systems, Marketing, and Supply Chain Management.

Graduate degree programs include: Master of Business Administration, Master of Business Administration with concentrations in Finance, Entrepreneurship or Global Business, Business Analytics and Healthcare, Master of Science in Accountancy, Master of Business Administration for Executives (EMBA), and Online Master of Business Administration (iMBA), Master of Science in Business Analytics, and Master of Science in Finance.

COLLEGE OF EDUCATION

SPRING 2025

COLLEGE OF EDUCATION

As a comprehensive college, the College of Education collaborates with the region's professional communities in preparing future educators, leaders, and professionals to serve as agents of positive social change toward a more just, equitable, and inclusive society. We support the career aspirations and personal growth of students with diverse identities and backgrounds. We provide informed advice and applied research services to local and global communities.

Our graduates are sought after for their knowledge, practical skills, and ability to work collaboratively and to lead social change in diverse communities. Our faculty members are valued for their ability to partner with practitioners and their expertise in research, policy, and practice. We are proud of our forward-looking, student-friendly organizational culture, and look forward to being integral to the region's success.

The College of Education community shares certain values. We consider diversity of student body, staff, and faculty to be essential to our academic mission. We strive to provide affirming and inclusive learning and working environments to all students, faculty, and staff in accordance with their needs, strength, and identities. We pursue truth, and we defend evidence-informed decision-making, and theories and practices supported by facts. We expect our graduates to contribute to the common good and to work always within the boundaries of fairness and collegiality.

The College of Education offers pathways into many possible careers, through the Bachelor of Science, Bachelor of Arts, Master of Science, Master of Arts, Master of Arts in Teaching, Master of Arts in Special Education Teaching, Educational Specialist in School Psychology, and Doctorate in Educational Leadership degrees.

Today's graduates will go on to shape the lives of others through their service as teachers, counselors, school psychologists, special educators, workforce and career specialists, professionals in deaf-related fields, and leaders in schools, community colleges, community-based programs, and public and private institutions, agencies, and organizations throughout the Sacramento region and beyond.

Congratulations to all our graduates! We are very proud of you today.

SPRING 2025

COLLEGE OF ENGINEERING AND COMPUTER SCIENCE

Through innovation, a balance of theory and practice, appreciation for diversity, community engagement, integrity, and accountability, we strive to remain a valued community of scholars in which students are engaged in diverse learning experiences with faculty who are devoted to student success and technical achievement. Our contemporary curricula, engaging pedagogy, impactful scholarship, and applied research allow our College to continue to produce exceptional career-ready graduates who are prepared for a lifetime of professional achievement and intellectual growth. More than ever before, industry recruiters see our College of Engineering and Computer Science as a source of employee talent throughout the state.

Annually, the College of Engineering and Computer Science graduates nearly 1,000 career-ready leaders who are prepared to deliver practical solutions for society's problems. Our College has an enrollment of almost 5,000 students, of whom approximately 10% are graduate students. Engaging these students are over 60 full-time, tenure-track professors who are leaders in their field of expertise and supported by a dedicated staff of professionals. The College of Engineering and Computer Science offers six fully accredited bachelor's degree programs: Civil Engineering, Computer Engineering, Computer Science, Construction Management, Electrical and Electronic Engineering, and Mechanical Engineering. At the graduate level, we offer five master's degree programs: Civil Engineering, Computer Engineering, Computer Science, Electrical and Electronic Engineering, and Mechanical Engineering.

COLLEGE OF HEALTH AND HUMAN SERVICES

The College of Health and Human Services (HHS) includes the Schools of Nursing and Social Work, the Division of Criminal Justice, the Departments of Communication Sciences and Disorders, Kinesiology, Physical Therapy, Public Health, Recreation, Parks and Tourism Administration, and Health Science. Taken together, the College's academic programs meet 15 sets of external accreditation and licensing standards and are recognized for quality, currency, and innovation. HHS values diversity, equity, inclusion, belonging, social justice, access, professional ethics, and social responsibility.

Through our programs, students join with faculty to work in internships, clinical rotations, and field placements and participate in and conduct research directly related to community well-being. The faculty and staff are committed to student success and best practices. The College operates six pro bono physical therapy clinics and is the home to the Maryjane Rees Language, Speech and Hearing Center, which assesses and treats more than 950 clients each year in its Speech and Language Clinics and Audiology Clinics. The College is home to the Center for Health Practice, Policy, and Research (CHPPR) and its mobile healthcare initiative Health Hive, which are dedicated to impacting community health by promoting collaboration, transdisciplinary practice, and innovation to reduce health inequities in California's capital region. The College also houses the Center for African Peace and Conflict Resolution, the Law Enforcement Candidate Scholars (LECS) program, and the HHS Student Success Center, which makes over 7,000 student contacts per year.

The College has a significant impact on the delivery of health and human services in the Sacramento region and beyond, with more than 7,600 current students. HHS is proud to collaborate with campus partners to diversify the region's workforce and serve the needs of the community. More than 50,000 HHS alumni have a significant impact on the delivery of health and human services in the Sacramento Region and beyond.

COLLEGE OF NATURAL SCIENCES
AND MATHEMATICS

SPRING 2025

COLLEGE OF NATURAL SCIENCES AND MATHEMATICS

The College of Natural Sciences and Mathematics educates a richly diverse scientific workforce and fosters scientific and mathematical literacy in the greater community. Our degree programs, research opportunities, internships, and strong student support prepare graduates to achieve lifetime career success, contribute to knowledge, and help solve societal problems. Our faculty, students, and graduates promote regional progress through professional activities and community collaborations.

College programs emphasize hands-on experiences and interaction with professors. Extraordinary opportunities for students include our Summer Undergraduate Research Experience Program, a Professional Science Master's in Stem Cell Research, a Certificate in Scientific Computing and Simulation, and more. Collaborating with faculty, students participate in research that often focuses on issues of regional importance, and each year, students present the results of their research at scientific conferences throughout the region and nationally. Students in the classroom have access to state-of-the-art instrumentation and unique facilities such as a well field for monitoring groundwater, a planetarium, and an astronomy observatory.

We believe that science more effectively serves society when informed by diverse perspectives. We are committed to recruiting and graduating students from populations typically underrepresented in the sciences. We nurture the success of our students through effective academic support programs. We strive to support regional progress by increasing the number of math and science teachers, improving the pipeline of well-prepared graduates going into science and mathematics fields, and building capacity for innovation in the region's workforce.

Congratulations to our graduates!

SPRING 2025

COLLEGE OF SOCIAL SCIENCES AND INTERDISCIPLINARY STUDIES

The College of Social Sciences and Interdisciplinary Studies was established in 1996 and is the second-largest college at Sacramento State. Through our 15 departments/programs as well as associated centers, we serve our students and the community through teaching, scholarship, and engagement. We help shape the future leaders of our region and beyond through a broad offering of majors, all connected in their commitment to social justice and equity. Our programming encompasses learning opportunities both in and out of the classroom to study diverse and complex questions related to society and the human experience. We examine past, present, and future issues at the local, national, and global level through intersectional approaches. The disciplines in the College encompass cultural, developmental, economic, environmental, ethnic, health, identity, policy, political, psychological, and social frameworks. Our students graduate ready to use their education to challenge the status quo, effect change, and work toward a better society.

ALUMNI RESOURCES

Congratulations! You now belong to the Sacramento State alumni family. As your “Hornet Connection for Life,” your Alumni Association provides resources, discounts, and programming to help you make the most of the alumni network. Here are answers to our most frequently asked questions:

When will I receive my diploma?

Diplomas will be mailed to the address on file approximately three to four months after degree conferral, which follows final confirmation of grades and completion of your degree program. Please ensure that you update your address with Sacramento State, either through the My Sac State portal or through the Alumni Association’s homepage at SacStateAlumni.com.

How do I request my transcripts?

Transcripts must be requested in person, by mail (student’s signature required), or online (for an additional fee). Orders are not accepted by telephone, fax, or email. When ordering transcripts in person, please be sure to bring your photo ID. Visit csus.edu/student-life/records-transcripts/transcripts/.

Am I still eligible to use the Career Center?

Graduates continue to have access to the Career Center after graduation. You will find workshops and career fairs listed on the alumni events page at SacStateAlumni.com and the full services of the Career Center at csus.edu/careercenter.

I am a new graduate. How do I join the Alumni Association?

Visit SacStateAlumni.com, stop by the Harper Alumni Center, or look for Alumni Association representatives at most major Sacramento State events. As a new grad, there is no cost to become a member and being an active member is a great way to show you are #HornetProud. There is no better time to get involved! Claim your membership at SacStateAlumni.com.

What are the benefits of joining the Alumni Association?

Your Alumni Association membership is a powerful resource that connects you to a network of more than 300,000 alumni, helps advance your career, and shows your Hornet Pride. You can join a chapter, attend special events, connect with others who are working in your field, and get advice from experienced alumni. One of our most popular benefits for recent graduates is a significant discount on membership to The WELL. For a complete list of benefits, visit: SacStateAlumni.com.

I just moved. How do I update my address?

Update your address, phone number, name, or any other information at SacStateAlumni.com or by contacting the Alumni Association. Be sure to provide your email address to receive *Sac State Connection*, the monthly alumni e-newsletter.
