

INCLUSIVE EXCELLENCE PRESENTS

VOICES UNBOUND

Do you have a story to tell or a performance to share? We invite proposals that celebrate the diverse identities, cultures, and experiences within our Sac State community. Join us in creating an empowering space where Hornet voices are seen, heard, and valued.

Focused on student growth and self-discovery, this event invites students to share creative expression pieces that reflect their experiences navigating college, identity, belonging, challenges, and transformation. The theme highlights that students are constantly evolving, and that the academic environment around them is evolving as well. Voices Unbound creates a space for participants to speak about their journey, emphasizing the power of student voice and affirming that every story on campus holds value. By participating, students help educate the Sac State community about the diverse paths, perspectives, and lived experiences that shape our campus.
