

How First-Year Students Spend Their Time

The results below show how much time your students spent in various activities during their last year of high school and their expected engagement in the same activities during their first year at your institution. At right is the average hours per week for each activity in high school and expected during the first year of college compared to all other BCSSE responses. Watch this [TUTORIAL](#) if you have questions about creating and downloading your BCSSE reports from the dashboards. Email us at bcsse@indiana.edu if you have any questions.
