New Freshmen and Transfer students!
Most of you will receive an invitation email with the subject line: “Please help Sacramento State by completing BCSSE” starting August 10th from sacstatesurvey@csus.edu. This is an official collaboration between California State University, Sacramento and the Beginning College Survey of Student Engagement, by participating you are informing the University how we can change for the better. Why Freshman and Transfer students? These results will be sent to academic advisors to assist you in your colligate goals. Additionally, these results will be compared with our other annual survey, the NSSE to inform the campus on what we are doing well and how we can improve.

Participating in the survey is one of the most impactful ways to get your voice heard and enters you into a prize drawing that includes Bluetooth speakers, Sac State gear and more. Increase your chances of winning by being one of the first 500 students to complete the survey!

If you have any questions regarding the survey, contact the Office of Institutional Research, Effectiveness, and Planning at sacstatesurvey@csus.edu
