

# NATIONAL SURVEY OF STUDENT ENGAGEMENT (NSSE) 2023

*Sacramento State participates in the NSSE starting March 1<sup>st</sup>, 2023.*

## GET YOUR VOICE HEARD

The NSSE captures students' opinions on academic, and extracurricular life at Sacramento State. Survey results inform University leadership on the needs of the student body.

Learn more about the NSSE by visiting:

## WHAT DO YOU THINK ABOUT LIFE AT SAC STATE?

Got 15 minutes to take a survey that will improve Sacramento State and give you a chance to win an iPad, and Sac State? Check your csus.edu email starting March 1<sup>st</sup>, 2023 for an invitation.

### First Year and Senior students!

Most of you will receive an invitation email with the subject line: "Please help Sacramento State by completing NSSE" starting February 28<sup>th</sup> from [nsse@nsse.org](mailto:nsse@nsse.org). This is an official collaboration between California State University, Sacramento and the National Survey of Student Engagement, by participating you are informing the University how we can change for the better. Why First-Year students and Seniors? We compare the results of those who are new to Sacramento State and those who are finishing their undergraduate degree.

Participating in the survey is one of the most impactful ways to get your voice heard and completing your survey by 03/28/2023 enters you into a prize drawing that includes iPads, and Sac State gear.

If you have any questions regarding the survey, contact the Office of Institutional Research, Effectiveness, and Planning at [oir-01@csus.edu](mailto:oir-01@csus.edu)

Thank you for your help with this important project.
