## Dropping Scores

### HOW TO GUIDE

CALIFORNIA STATE UNIVERSITY, SACRAMENTO

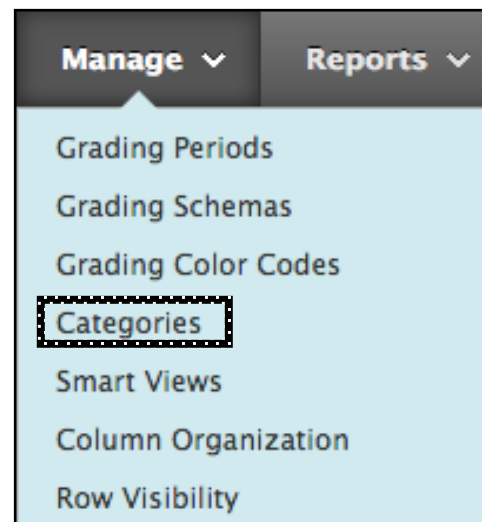

### DROPPING THE LOWEST GRADE

This guide will show you the steps on how to drop the lowest grade from a category of items. For example, these steps can be used to drop the lowest score from all of the quizzes taken in a course. In order to do this, **Categories** and a **Calculated Column** must be created.

### CREATE A CATEGORY

The first steps in dropping a score from a set of items are to create a category, and then to add column(s) to that category.

- step 1.* Login to SacCT (<http://online.csus.edu/>).
- step 2.* Access your course from the My SacCT Courses list.
- step 3.* From the Control Panel menu, click **Grade Center**.
- step 4.* Click **Full Grade Center**.
- step 5.* Hover over **Manage**.
- step 6.* Click **Categories**.
- step 7.* Click **Create Category**.

## Categories

A Grade Center Category is a classification of Grade Center Columns. Categories are used to organize Calculated Columns to perform operations on all Grade Columns in a Category. The Grade Center has Journal, SafeAssignment, Self and Peer, Survey, and Test that cannot be removed or edited. [More F...](#)

## CREATING A CALCULATED COLUMN

After creating Categories, the next step in dropping the lowest score is to create a Calculated Column.

*step 1.* Refer to **steps 1-4** above on how to login to SacCT and access the Full Grade Center.

*step 2.* From the Full Grade Center, hover over the **Create Calculated Column** button located at the top of the page.

*step 3.* Click **Total Column**. Optionally, you may select Weighted Column.

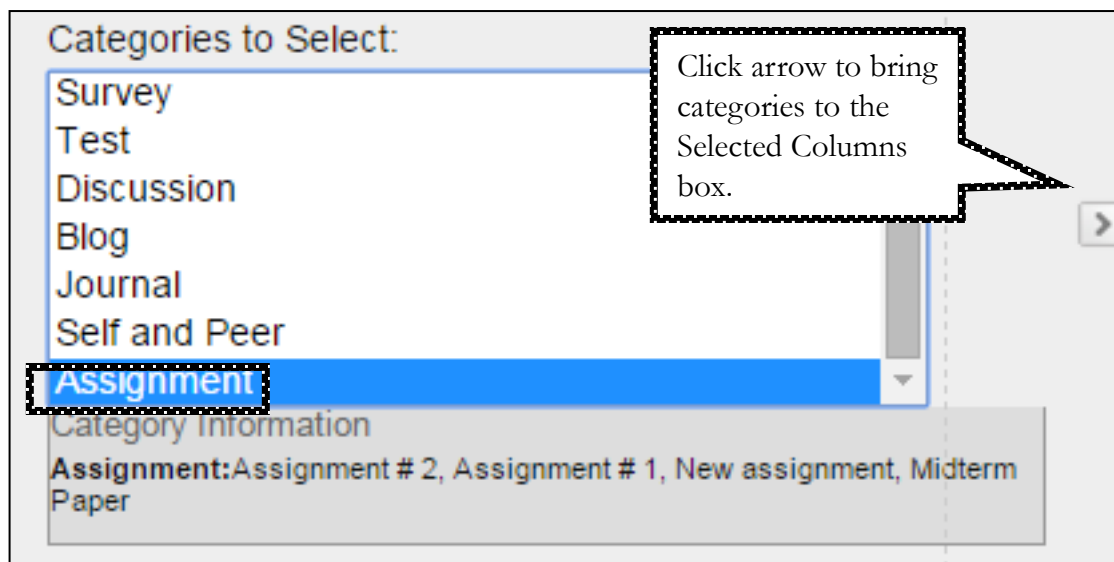

*step 4.* Under Item 1, **Column Information**, type in a name for **Column Name**. For example, "Total Quizzes."

*step 5.* Select a **Primary Display**. The most commonly used ones are Score, Letter and Percentage. You have the option to choose a secondary display and this is only for instructors to see.

*step 6.* Under Item 3, **Select Columns**, select **Selected Columns and Categories**.

*step 8.* Select the categories you would like to include. Then, click the **right arrow** to bring them to the Selected Columns box.

*step 9.* From the Selected Columns box, select **Drop Grades** and enter a value for Drop [value] Lowest Grades. For example, if you want to drop one grade, enter “1”.
