NCAA ELIGIBILITY CENTER

- Register with the NCAA Eligibility Center.** ALL prospective student athletes are required to register with the NCAA Eligibility Center. For domestic student-athletes it costs \$90 and for international student-athletes \$150. Register online at <https://web3.ncaa.org/ecwr3/>
- Submit official transcripts.** Transcripts from all the high schools you have attended must be sent to the NCAA Eligibility Center. The quickest way is for the high school to upload an electronic copy to the NCAA Eligibility Center. Also, be sure to have your high school upload an official final transcript with your graduation date posted. If you took college coursework while in high school you will also need to send an official college transcript directly to the NCAA Eligibility Center.
- Send all SAT and ACT scores.** Scores must be sent directly to the Eligibility Center (use code 9999).
- Finalize your amateurism certification.** Every prospective student-athlete who is attending an NCAA Division I or II institution for the first time must have their amateurism status certified by the Eligibility Center. This includes prospective student-athletes who are transferring from any 2-year or 4-year institutions that are not members of NCAA Division I or II. Beginning April 1st, you must log back into the Eligibility Center and complete a final authorization signature to verify your answers. **NOTE: If you do not complete this process prior to your arrival to campus you could miss practice or competition.**

NEXT STEPS

- Meet Deadlines.** All final documents must be received no later than June 30th. This includes final and official transcripts, and official AP, CLEP, IB test scores to prove that you meet admission eligibility. Make sure all official high school and college transcripts are sent with graduation dates posted, as soon as possible to:

- Athletic Scholarship Disbursement Schedule.** Athletic scholarships disburse at the beginning of the fall and spring semesters and again mid-way through the semester if you live off-campus. Scholarship money will first be applied to any tuition and housing fees you owe the campus. Anything in excess will be disbursed to you.
- Buy your textbooks.** Want to avoid the long lines and the stress of buying books? We will have a priority/early book purchasing day for student-athletes in August (TBD). Check with your head coach for details. If you are receiving a **book scholarship**, your books will be bundled, so the Compliance staff can monitor these receipts. You must have your Sacramento State student ID to purchase your books and all receipts must be given to the compliance team.
- Ensure timely scholarship/financial aid disbursement.** If you are an athletic scholarship student-athlete or receiving financial aid you have 3 options to receive your disbursement:
 1. eRefund: Have your financial aid deposited directly into any bank account! Log into your My Sac State Student Center to get started.
 2. If you need to pick up your check, then you must submit a “No Mail” request form to the Bursar’s Office two weeks prior to the start of EVERY semester.
 3. If you don’t select options 1 or 2 above, your check will automatically be mailed to the address you have listed as “Current” in your My Sac State. Make sure to update to a local address!
