### DEGREES Project Recognition Ceremony

May 7, 2018

This year's signature annual event focused on family and friends, and for the first time in program history, parents and loved ones were awarded the "#1 Supporter Award" for helping out students and graduates succeed in their academic journeys. More than 800 students and parents were in attendance.

STATE

*Redefine the Possible*

The Dedicated to Educating, Graduating, and Retaining Educational Equity Students (DEGREES) Project seeks to provide enhanced services to underrepresented students to make timely progress to their degrees and to reduce the achievement gap. The program provides a comprehensive and integrated menu of academic and student support services designed to improve the retention and graduation of underrepresented minority (URM) students. Overall, the DEGREES Project aspires to foster an institutional climate supportive of student success.

## Recruit Back Sessions

April 13, 2018

Working with campus partners, the DEGREES Project held its annual Recruit Back Sessions to help currently non-enrolled students return to the university. Students received a variety of services thanks to the support of the Educational Opportunity Program, the Registrar's Office, Financial Aid, the One Stop Student Shop, as well as the seven academic colleges:

1. College of Art & Letters
2. College of Business Administration
3. College of Education
4. College of Engineering & Computer Science
5. College of Health & Human Services
6. College of Natural Sciences & Mathematics
