

October Star Awards

Ashok Penumalli, Information Resources & Technology (IRT)

Two years ago, the Financial Aid Systems Team was new and needed lots of guidance to understand and effectively get money to students. They relied heavily on Ashok to help them navigate the moving of files/information between the campus and the State and Federal governments. Ashok has been and continues to be a very helpful and patient asset to the Student Affairs family. He truly has gone ABOVE AND BEYOND on a very regular basis. His dedication to the Financial Aid Office does not end at the end of the day or even at the end of the work week. They have on several occasions worked with him after hours and sometimes late into the evening or on the weekends to resolve issues. He has been a shining star to the Financial Aid Office and he really deserves to be recognized.
