

Excellence in Administrative Support 2022

Shannon Ainger, Student Affairs Business Resources

Shannon Ainger serves as the Senior Budget Analyst for the division. In her role she has been instrumental in streamlining the budgeting process and communicating changes to the departments. She is an Excel master and whiz, and has created budget projection spreadsheets that are innovative and thorough. She created, co-hosted (with Karina Garcia-Solorio) and recorded four training presentations for new budget analysts in the division. The training has proven to be a helpful resource to new and existing staff. Her strategic vision and ability to "see the big picture" is invaluable to the Division and the Business Resources Office. She answers my millions of questions with patience and ease, and never makes me feel inferior. She is hardworking and genuinely cares about the work she does.
