

# November Star Awards

## **Sandhya Rao, Financial Aid**

Sandhya is a shining star in the Financial Aid Office. As an integral part of the Systems Squad, she takes the lead on our most challenging and complex projects. She embodies the collaboration, service and innovation values with her thoughtful solutions to our many regulation changes this year. For instance, within the month of July 2021, we learned of several federal and state updates that required immediate attention. Sandhya and the Systems Team worked tirelessly to update To Do lists and financial aid awards on thousands of students, all while keeping the Operations Team involved every step of the way. Sandhya is an exceptional asset to this office, and we are so glad to have her on our team!
