

April 2024 Star Awards

Dr. Steve Uzelac, Student Health, Counseling and Wellness

I would like to nominate Dr. Steve Uzelac for his exceptional dedication and commitment to patient care. Dr. Uzelac consistently goes above and beyond in providing compassionate and comprehensive medical treatment to our student patients. One of the remarkable qualities of Dr. Uzelac is his unwavering dedication to ensuring that every patient receives personalized attention and care. He takes the time to listen attentively to his patients' concerns, thoroughly explain treatment options, and involve them in decision-making processes. This not only fosters trust and confidence but also empowers our student-patients to take an active role in their own healthcare. Dr. Uzelac's expertise in his field is truly outstanding. His depth of knowledge and skill are evident in his precise diagnoses and effective treatment plans for our students. Moreover, he continuously strives to stay updated on the latest advancements in medicine, ensuring that our student-patients receive the best possible care. Beyond his medical expertise, Dr. Uzelac demonstrates genuine empathy and compassion towards our student-patients. He understands the emotional and psychological impact of illness and always offers support and encouragement to his patients. His comforting presence and reassuring demeanor create a sense of security and comfort, especially during challenging times.

April Nominee

Christy Lee, Financial Aid

Christy surpasses expectations of her, as a Senior Financial Aid Analyst she goes above and beyond in aiding the office. With her satisfactory work ethic she has aided in helping students from Sacramento State understand the fundamentals of Financial Aid, has assisted in committees, brought great results to the office, and has the most wholesome aura.
