Where Students Come First

Our Mission

Engage students in an inclusive environment to honor their sense of belonging and provide programs and services that enhance their college experience, promote wellbeing, and help them achieve their dreams.

Our Core Values

Student Service

We provide students with a high level of genuine compassion, care, support and assistance as they navigate the many challenges they face in their college life.

Integrity

We serve students with soundness of character, purpose, and through an unwavering commitment to being of service.

Innovation

We enhance the quality of, and pride in, the Sacramento State student experience through new and creative initiatives that promote student success.

Inclusivity

We are committed to developing and sustaining an environment of inclusivity that enriches the experience of all through feedback and a process of continuous improvement.

Partnership

We actively partner with our students, the university and community through shared goals, information transparency, and working together to achieve a common set of goals that lends to a results-oriented approach.

Wellness

We contribute to the multidimensional process of achieving a healthy balance throughout one's lifetime (Intellectual, Emotional, Environmental, Physical, Career/Financial, Spiritual, Socio-cultural).
