## SMARTHINKING Tutorial

Smarthinking is an online tutoring system that enables students to get the help they need 24 hours a day, 7 days a week. Tutoring sessions are available in areas such as writing, reading, mathematics, science, business, Spanish, nursing and allied health, computers, and technology, and English for speakers of other languages (ESOL). Additionally, Smarthinking assists secondary, post-secondary, and graduate students become stronger writers through the Online Writing Lab.

1. Login into your [Canvas](https://canvas.csus.edu/) <https://canvas.csus.edu/>, account
2. Once you are at your Dashboard click on any one of your classes.

3. On the left-hand side, you will see the below menu. Click Smarthinking Online Tutorial at the bottom.

The image shows a Blackboard course page for COMS 20A-01 in Fall 2018. On the left is a dark sidebar with icons and labels for Account, Dashboard, Courses, Groups, Calendar, Inbox, and Help. The main area has a hamburger menu icon followed by 'COMS 20A-01'. Below this is 'Fall 2018' and a 'Rece' header. A list of course tools follows: Home (highlighted in dark green), Announcements, Assignments, Discussions, Grades, People, Files, Syllabus, Quizzes, Modules, Collaborations, Blackboard Collaborate, Office 365, and Follett Discover. At the bottom, 'Smarthinking Online Tutoring' is highlighted with a red rectangular box.

## Welcome to Smarthinking!
