Advising Requirement

Students that fall into this area will be required to attend at least one advising session and/or workshops per semesters or as determined by coordinator of the program.

How to get connected?

As a result of the decision to conduct fall 2020 classes virtually due to COVID-19, there will not be any "in-person" advising. All sessions will be conducted via Zoom. Students that fall into the area of "academic recovery" will receive email notifications outlining their advising requirement (s) in their

“university” email account. So be sure to check the account for information as well as the junk/spam area.

Academic strategies workshops

Throughout the semester there will be workshops that you can attend or will be assigned to (if appropriate). To sign up, you will receive an email specifying when they are occurring or you can check our [EOP homepage](http://www.csus.edu/eop) www.csus.edu/eop events calendar.
