

ARISE

ARISE stands for “Aiming Retention Intensive Services for Excellence!” It utilizes the hot air balloon and sun rays to symbolize an idea of positive outlook, uplifting spirit, and helping others. The program is comprised of several components from academic advising to personal development and community engagement.

Welcome

EOP wants you to succeed and to know that “you are always a part of the EOP family”. We have developed a new program called the “ARISE Project” designed to assist undergraduate students achieve their goals by providing assistance in various areas such as involvement in the campus community and reconnecting with the EOP program.

Program Goals

- Complete each year of your academic career successfully
- Obtain advising and counseling support by an EOP counselor
- Successfully declare a major that is suited to your degree and career objectives
- Assist you in identifying a major advisor and support in your academic college
- Pairing you with a faculty mentor
- Help you complete your GE and major requirements
- Prepare you for the life beyond college
- Assist you with the graduation process and post-baccalaureate goals

Program Benefits

These are the benefits of participating in the ARISE Project:

- Earn better grades in college
- Receive an EOP book scholarship
- Gain assistance from a personal retention ambassador
- Increase your chances of graduation

How do I get involved?

This area will describe how students can get involved in various ways. Whether a student needs academic support, want to get involved in programming or mentoring, attend events and workshops, or to participate as a student club member.

Who are the ARISE Staff?

The ARISE project will consist of the following staff and committee members:

Committee Members:

The EOP Retention Coordinator
EOP counselor representative
EOP Graduate and Student Assistants
