

EOP SENIOR SUCCESS SERVICES

Welcome to EOP Senior Success Services!

EOP Senior Success Services was developed to ensure retention and graduation success for undergraduate seniors, which helps prepare them for graduation success and the world outside Sacramento State. EOP offers many opportunities to support seniors in understanding their progress toward degree completion, guidance on career and graduate school resources, connecting to campus resources, and planning for life after graduation.

EOP seniors are required to meet with an EOP counselor or advisor once a year for their advising requirements. Our EOP counselors or advisors are available to support seniors with 85+ units as they progress toward graduation. Seniors are offered a wide range of opportunities for engagement with our Grad-Bound Progress Check, Senior Success Workshops, ensure they are meeting program requirements, and Connections to Grad-Bound resources.

Senior Success: Grad-Bound Progress Check

Grad-Bound Progress Check is designed to help EOP senior students with 85+ units or more to understand their progress to degree completion. EOP students will meet with the counselors and advisors to explore the “next steps” toward their graduation success during the advising session by:

- Assist students in reviewing their academic requirements and evaluating their progress toward degree completion.
- Assist students in reviewing their general education and graduation requirements.
- Providing support on the steps needed on how to apply for graduation.
- Helping student to make informed choices that will optimize their educational and career goal pathways.

Senior Success Workshops are designed to prepare EOP senior students with educational and career guidance in understanding the fundamental tools and information needed to persist and prepare for life after graduation. During the semester, seniors can access a wide range of EOP support services and campus resources presentations on:

- How to prepare for graduate school.
- Tip on how to find financial and scholarship resources.
- How to prepare a timeline on what to do and do dates.
- Career Support Services (Resume, Cover Letter, and Job Search).

EOP Promotion Celebration for Spring 2025

Every academic year, the Educational Opportunity Program (EOP) at Sacramento State will promote, honor, and celebrate our students' academic success. At this event, our EOP students will be commemorated with an EOP certificate of achievement and graduating seniors will be honored with a medallion to wear at Sacramento State Commencement. This event is open to faculty, staff, family, and friends to come and celebrate our student's achievements with the EOP family.

Date: Thursday, May 1, 2025

Time: 2:00 pm to 4:00 pm

Location: Harper Alumni Center
