

HORNET ATHLETICS POLICIES SUMMER FINANCIAL AID

- **Purpose of Summer Financial Aid:** Summer financial aid is not an entitlement or part of a student-athlete's academic year financial aid agreement. The purpose of summer financial aid is to assist student-athletes in making progress towards their degree (and not to pursue an additional minor, second degree, or master's degree); it is NOT a way to pay rent! Summer financial aid is awarded at the discretion of the coach and the athletic director (or designee). Factors that may be considered in deciding to award summer financial aid include availability of funds and fulfillment of academic and team obligations.

- **Registration & Schedule:** To be considered for receipt of athletic aid for the upcoming summer session, you **MUST** submit this application via ARMS by: **MARCH 1**

- **Adding and Dropping Classes:** I understand that before I make ANY changes to my schedule, I must meet with the SARC Staff. In addition, I must make ANY changes before the end of the first week of classes, or I will be responsible for all financial charges associated with the late adding/dropping of classes.

- **Additional Costs:** Additional costs may not be covered by your summer athletic aid award. For example, the scholarship may not cover room and board expenses.

- **Academic Effort and Achievement:** I understand that I will repay my summer athletic aid (including tuition, fees, room & board, books) for any class in which I receive a D, F, or INC and in which I did not put forth the appropriate effort (class attendance, study time, etc).

- **Financial Aid Agreement:** I understand that if my aid is approved, it is my responsibility to sign my financial aid agreement prior to or on the first day of the semester/term of my award.
