How to Apply for Fall 2022 Readmission after Dismissal

California State University, Sacramento

Follow the steps outlined below to ensure proper completion of the Readmission after Dismissal petition:

1. Prepare a TYPED (double-space) one-page statement addressing the following three objectives:
   a. Identify the problems that led to dismissal (explain why you were unable to meet conditions of prior reinstatement).
   b. Describe the specific changes you will make to resolve these problems and include information on balancing life, school, work, etc.
   c. State the reasons for choosing the proposed major. Students petitioning as Undeclared or who plan on pursuing an impacted major (Business, Criminal Justice, Graphic Design, Health Science, Nursing, Psychology, Public Health) must provide an alternative major/plan.
   * Will not be reinstated into an impacted major

2. Email your major department chair to request a recommendation for continuation in the major. The chair must email those recommendations to reinstatement@csus.edu by December 15, 2021.

   *If the Committee does not receive an email from the department chair, the student will be considered as Undeclared.

   *Students interested in reinstating into an impacted major must petition as Undeclared; department recommendation is not necessary.

3. Submit Petition for Fall 2022 Readmission after Dismissal and statement to reinstatement@csus.edu by December 15, 2021.
