

UNDERGRADUATE/2nd BA LEAVE OF ABSENCE PETITION

1. Who is eligible?

- Sacramento State undergraduate and second baccalaureate degree students who will not be enrolled at Sacramento State for more than one semester may file for a leave of absence to maintain enrollment eligibility and catalog rights to specified degree requirement options.

2. Who is not eligible?

- Undergraduate or second baccalaureate students dismissed due to academic deficiencies or disciplinary actions are not eligible for leaves of absence.
- Students enrolled only in extension courses or as auditors are not eligible for leaves of absence.
- Graduate students anticipating a leave of absence should visit the Office of Graduate Studies website: <http://www.csus.edu/gradstudies/CurrentStudents/forms.html>.
- Sacramento State students studying abroad through independent programs should contact the Office of Global Education for information.
- **This leave of absence petition is NOT for students who will be taking courses at another accredited college/university.**
- **Sacramento State students who will not be enrolled at Sacramento State for only one semester DO NOT need to petition for a leave of absence. Students are granted an automatic leave of absence for one semester per University policy.**

3. What if I need to file this petition in the middle of the semester?

- Enrolled Sacramento State students requesting leaves during a semester must follow withdrawal procedures. All contractual agreements (housing, financial aid, etc.) must be satisfactorily terminated.

4. Types of Approved Leaves of Absence:

Medical

- A statement from a medical professional is required verifying the timeframe for the leave.
- Leaves for pregnancy are restricted to the semester of delivery and the one following.
- In the event a medical leave needs to be extended beyond the original approved leave, an additional leave of absence petition and medical verification will be required.

Military

- A copy of military orders indicating duration of service is required.
- Eight semesters absence is the maximum which can be approved for military leaves.

Personal

- Students who, for personal reasons, are temporarily unable to continue their program of study may request a leave of absence not to exceed two semesters.
- In the event a personal leave needs to be extended beyond the original approved leave, an additional leave of absence petition with a statement of personal circumstances must be submitted.
- Four semesters absence is the maximum which can be approved for personal reasons.

Planned Educational

- This option is **not** for students who will be taking courses at another accredited college/university.
- Students may petition for planned educational leaves to pursue educationally related activities that will enhance the prospect of successful completion of their academic programs. For example: an Anthropology major taking a year off to volunteer at an archeological dig site in Chile.
- Department recommendation is required.
- A planned educational leave may be granted for up to two years.
